TEST CITY DOG ORDINANCE IN COURT TUESDAY

MUNI DENIES EXTENSION; ASKS DALY CITY SUBSIDY

THE TOWN RECORD

By MONTE DAYTON

Undoubtedly the city's library commissioners like to read, but 36 hours locked with 12,000 books might have been a little too much.

The commissioners were almost faced with that prospect Saturday when HENRY SUNDERMANN, head of the group, locked the doors after entering the library, thinking he still had a key.

A call to one of the library employees saved the day and redfaces for the commissioners after 20 minutes of forced inspection of the library.

Riding in style: When the local Rod and Gunners go on their annual steelhead outing in February, they'll have as their bus driver none other than BILL DANDY—He's the private chauffeur for the president of Greyhound lines.

CAROL BIGNOTTI, who with Hubbie, GEORGE, operates a local flower dispensery, is laid up in the hospital, following an appendectomy.

With a mind's eye picture of HENRY DOELGER'S lavish new Westlake home, a wag at the PG & E luncheon at LMG & CC last Friday asked him if the new substation was installed to handle the power needs at the swank abode.

TOM MITCHELL, mustachioed boss man of Club Casino, thinks the Daly City police a bunch of mighty fine gentlemen.

Back one night last week in the early a.m. Tom closed the place up and in his rush left the door unlocked.

Officers RICCO BENEDETTI and LES BASTEDO notified him of this pass of events and nipped a potential burglary in the bud.

"Very alert, very alert," Tom says with double emphasis.

Drivers who don't park their car on a hill in the correct manner are going to be $10 poorer in the future.

Old penalty for the offense was $1.50, but it's been elevated.

Don't believe what it says on the back of your citation about violations and their respective fines.

They haven't got around to changing the citations and don't plead ignorance of the law. They say it's no excuse.

In case you're wondering on whereabouts of DR. DONALD DICKSON local chiropractor, here's the scoop:

He and wife and son, ROBERT, are visiting relatives in Portland, won't be back until after the holidays.

Taking up arms where he left off is DR. DONALD LONGBELLA.

Something to get all in a lather about: A lady on Belview was disconcerted last Friday when the city shut off the water in that area to do some repair work.

She was giving her baby his daily bath and had him all nice and soaped up when . . . whatinhell? The water goes off.

If cleanliness is next to Godliness, then this little tyke was prac-

"Established 1909"

The San Francisco Public Utilities commission Monday turned down Daly City's request for extension of the No. 14 (Mission) line to the Colma area but said they would consider taking the action in the future, providing Daly City would underwrite all losses occured.

In a letter to Del C. Wilson, local real estate appraiser, who, with THE RECORD, conducted the drive to extend the bus, the commission said:

1. "The extension would increase the annual operating expense of the line by approximately $50,000.

2. "The extension would involve the use of additional equipment which is presently not available."

Might Consider

James H. Turner, manager of

Del C. Wilson

. . . Victim of Prevarication

utitlities, said, "The commission indicated that they might consider your request at a future date when equipment is available, provided that Daly City would be willing to underwrite any and all losses incurred by the municipal railway of San Francisco should such requested extension be made."

The commission denied in total a report made in a locally circulated throw-away sheet last week that they were being "pressured" by Wilson, a council candidate at the last election.

Members Ired

The story in question was read before the commission Monday, evoking considerable surprise and anger from commissioners.

The article, which indicated the request would be denied, quoted "a spokesman" on the commission throughout. Apparently, the commissioners said, the story was invented.

Oliver M. Russo, president of the group, said "no member has made those statements, nor would any member of this body stoop so low."

Regarding Daly City's subsidizing the bus here, reaction was not too favorable.

Might Be Possible

However, Frank Blum, city attorney, said if the exact amount of loss (if any) could be determined and an equitable means of arriving at this loss figure could be arranged, it might be possible for the city to go ahead with the plan.

Councilman James Kennedy said the muni's $50,000 loss estimate did not take into consideration the amount of Daly City money spent daily in San Francisco.

He added, "I am not in favor of the people of Daly City subsidizing a San Francisco enterprise, but if losses on the line are only nominal it would be worth it."

Whether the council will delve further into the matter was not known.

Kennedy suggested a citizens committee or the Chamber of Commerce might look into the problem.

KIDS XMAS PARTIES AT LOCAL SHOWS ARE SCHEDULED FOR TUES.

Annual Christmas party for Daly City kids will take place Tuesday at the Daly City and Serra theaters, the recreation department announced yesterday.

Doors of both theaters will open at 1 p.m. and the afternoon fun will last until approximately 4 p.m.

Santa Claus will be present at both party locations and free candy and apples will be passed out to the children.

The event is sponsored by the Daly City recreation department, the PTAs and the Women's Civic club.

MISBE-HAVEN CLUB ACTIVITIES SLATED

Members of Daly City's Misbehaven club will enjoy a Christmas party Tuesday night at the community center, complete with Santa Claus and gifts.

Admission to the activity is a 25-cent gift.

The club also plans a dance Saturday night. Admission is 25 cents per person.

DC POLICE AID CAPTURE OF ESCAPED CON

Routine finger-printing of a man picked up in Daly City recently on a charge of drunken driving resulted this week in the capture of an escaped criminal who has been wanted by authorities since 1940.

Charles Biehl, 37, who gave his address as South San Francisco, was picked up by Redwood City police this week after the department was notified that Biehl is wanted by the Ohio State Reformatory at Mansfield, Ohio.

Biehl was arrested in Daly City on November 15 on a drunk driving count and local police sent his prints to the FBI as part of routine procedure. Ohio authorities discovered the prints to be those of the man they had sought for 13 years. Biehl was serving time for forgery when he escaped in 1940.

Biehl will be held in Redwood City pending extradition to Ohio.

RESERVOIR CONTRACT GOES FOR $73,582.60

Contract for construction of the Westlake Reservoir No. 1 was awarded Monday night to Hart and Hynding company, low bidders with a figure of $73,582.60.

Of the seven bids submitted, all but the winning figure was over $80,000. They ranged to a high of $118,000, submitted by H. H. Harris.

Engineer Edwin Smith's estimate for the job was $67,500.

During the meeting the council also accepted deed for the reservoir site from Henry Doelger Co. for $1.

The one-half acre site is located northeast of the corner of Bradley drive and Southgate.

Work on the 1,250,000 gallon capacity reservoir is scheduled to begin in two or three weeks.

It will take approximately 60 working days to complete.

Most of the reservoir, to be of re-inforced concrete, will be below ground level.

Construction of this facility is the first major step in the $390,000 water improvement program voted by the people last year.

In conjunction with the project, Monday the council purchased a well site at the foot of Fairlawn and Wildwood at a cost of $4200.

Drilling of the well has already started. The well will deliver a potential 1000 gallons a minute, but the city expects to bring 800 gallons a minute out to maintain the reservoir supply on a regular basis.

Preliminary work on Westlake Reservoir No. 2, which will bring the total increase in water supply to 3,000,000 gallons, is already underway.

LIBRARY COMMISSION INSPECT NEW FACILITIES

LOOKING OVER improved facilities at the Daly City library are library commissioners Wayne Carr, Henry Sundermann, Jack Marsicano, Mrs. Maude Hanselman and Mrs. Margo Westgaard. Check-out stand shown in picture is one of many facilities at library that were re-arranged to make for more efficient operation.

—THE RECORD photo

End Library Re-Arrangement; Book Capacity Is Now Doubled

The Daly City library commission this week announced completion of re-arrangement of local library facilities which will more than double the book capacity of the library.

Moving of book shelves and racks and switching of check-out stands was carried out to meet the steady growth of the community's reading needs and the expected number of books to be purchased in the future.

The commission said "the new facilities will permit the library to take care of the reading public for years to come."

Special pains were also made, the commission said, to provide improved facilities for the children's room. The youngsters' room is now situated in the front of the library.

Henry Sundermann, president of the commission, said the library "looks like new now." He also pointed out that the set-up would make for further efficiency.

He said the change had brought considerable "favorable comment" from readers.

Sundermann said he hoped many new books could be added to the library in the near future.

At present, he explained, there are approximately 12,000 books in the library. The American Library association recommends that there be 2.5 books per captia. "Figuring on this basis," Sundermann said, Daly City should have at least 45,000 volumes."

Sundermann said he was confident the "council is on our side and with their cooperation in our plans the time may not be too far distant when Daly City can have a library that the reading public can be proud of and is entitled to."

At present, Sundermann continued, the commission is hampered in making library improvements by the limited budget.

Formation Of Guard Unit Here In January

Formation of Daly City's own National Guard unit, to be known as the Vista Grande platoon, will take place January 7 at the community center.

According to Company Commander Lieut. William R. Whalen, all men 17 or over are eligible to join the unit.

Those 18 years old or less must have their parents' consent, however, he said.

Lieut. Whalen explained that those who join the guard will be able to serve their country at the home and at the same time be exempt from induction through selective service. Anyone 18 years, six months of age, or under, who joins now won't be drafted, he explained.

The unit will be a part of Co. L, 159th infantry division.

Platoon leader for the local group will be Lieut. Jack Creighton of Westlake.

Following the initial meeting, the platoon will hold drills weekly on Thursday nights at the center. In addition, members of the Guard spend two weeks at summer camp.

Lieut. Whalen said Guard members will receive a day's pay for each meeting attended.

DOELGER FIRM LOW BIDDER ON WATER MAIN

Contract for installation of a water main on Market street was awarded to Henry Doelger, Builder, by the city council Monday night.

Of the 11 bids submitted, the Doelger firm was low with a figure of $25,046.58.

Next low was E. T. Haas company with $26432.25. The bids ranged from the low to a high of $38124.75 submitted by McGuire & Hester company. The remaining bids were in the $30-$33,000 range.

PLAN FOR SECOND YOUTH ART SHOW

Due to the success of the initial art show last year, the Daly City-Colma Lions are readying plans for the second annual Youth Art Exhibit.

Elio Fontana, general chairman, said preparations for the activity are underway and this year's show is expected to be "even more successful."

Some 1000 youth entered last year's contest held at the community center.

Fontana said the event would probably be held in March, but there was much preliminary work to be taken care of in the interim.

Due ot interest on the part of spectators last year, the show will probably be extended to three days this year, he said.

Assisting Fontana are Stanford Hannah and R. L. Crane.

Spiritual Observance Still Most Important

Holly and the aroma of evergreens are in the air this week as only a week remains before the celebration of Christmas.

But with all the hallaballoo, many come to forget the real significance of Christmas.

For stories announcing spiritual observance and celebrations of the Nativity of Christ, see page 4.

Church Men's Group Plans First Annual Christmas Dance

The first annual Christmas dance of the newly-formed Our Lady of Perpetual Help church Men's club will be held tomorrow (Saturday) night at the parish school auditorium.

Proceeds of the function will go for the children of the parish and for the community.

Arrangements are under the direction of Howard Frederick and his special committee.

Frederick said an "excellent" orchestra would perform and promised a "good time for all." Refreshments of all types will be provided, he said.

Baby sitters will be on hand, he added.

Admission is $1 per couple. Special prizes will be awarded during the evening.

Council Sets Hearings On Westlake Property

Public hearings on two matters involving Doelger company property were set by the city council Monday night.

The councilmen established January 11 as the date for hearing on the re-zoning of property in Westlake Subdivision No. 3 from R-1 to R-3 classification.

January 25 is the date set for public hearing on the proposed vacating of portions of Northgate avenue in Westlake Subidivision No. 5D.

The council also passed a resolution changing the name of Maddux avenue in Daly City to Maddux drive.

Open House Sunday At Colma Fire Department

Colma's fire department will hold an open house Sunday at their newly completed firehouse building, 50 Reiner street.

Fire Chief Louis Nannini said the open house would begin at 3 and last until 7 p.m.

Candy for the children and coffee and cake for adults will be on hand, he said.

Neighbors Complain Animals Create Odor

A precedent-setting court case that may determine if state and local laws are sufficient to protect home owners from neighbors' unsanitary pets will be held in Municipal court Tuesday.

City Attorney Frank Blum will represent Daly City against two local dog owners who have been charged with maintaining unsanitary conditions for their dogs.

Fred Collins, deputy health officer, signed complaints this week against R. Massingale, 451 Templeton, and S. Sunsiri, 7047 Mission street, charging violations of City Ordinance 280.

The ordinance sets down standards for maintaining sanitary conditions for pets and other rules governing animals within the city limits.

Warrant was served on Sunsiri yesterday (Thursday). He pleaded not guilty, posting $20 bail, as did Massingale earlier in the week. Both are to appear at 10 a.m. Tuesday in Judge Thomas L. Bocci's court.

Blum said that this will mark the first time the pet ordinance has been tested in court here.

The complaints were allegedly filed after neighbors in both areas had complained of the undesirable odor.

The attorney said Tuesday's case "will determine whether this ordinance helps the people of the community."

This initial action on harboring of pets comes after many years of complaining by Daly City residents that dogs were messing up their property or otherwise creating a nuisance.

However, Blum pointed out that the trouble comes mainly from one-dog owners and that the dog breeders in general, are not at fault.

Nevertheless, as exclusiveiy pointed out in THE RECORD three weeks ago, some revision of local ordinances affecting pets seems to be in the offing.

New Westlake Bank Of America Branch Quarters To Open

Westlake branch of Bank of America will open for business in its handsome new quarters in the heart of the Westlake shopping center Monday morning, December 21, it was announced today by Frank M. Dana, vice president and supervisor of operations.

D. J. Franco, branch manager, will be host at an open house party for the public between 6 p.m. and 9 p.m. that evening.

Spacious and modern, matching the commercial section of this large new development, the bank quarters will have 6200 square feet in floor space and a 1850-square foot lobby.

Among the numerous accommodations to customers will be 13 teller windows providing speedy banking service, and a large new vault with more-than-adequate safe deposit facilities.

In announcing the move, Franco disclosed that the building was being occupied under lease from the Henry Doelger Development Co., and that the bank has had installed approximately $20,000 worth of bank fixtures and equipment. According to Franco the bank has also reserved space for future expansion.

"We are pleased to say that this branch will be one of the most complete banking facilities in this part of the city, as well as the newest. We believe that it will fulfill the banking needs of Westlake residents for many years."

Among other metropolitan banking features are a night depository for after-hour-use, acoustically treated walls and ceilings and flourescent lighting.

The quarters, which are located near a large public parking area, will contain file storage area as well as staff room space. Desks will be provided for four officers and interior space for 10 bookkeep-

(Continued on Page 2)

FATHER'S TIP SOLVES FOUR LOCAL BREAK-INS

A suspicious father who thought his son was sporting too much currency gave Daly City police the tip that led to the arrest of four San Francisco juveniles who looted three local establishments over the weekend.

All four of the youths broke into the Beacon Lunch, 7424 Mission, Friday, and escaped with $55.

Saturday two of the juveniles returned to this area, raiding Castle Garden Bootery, 98 School street, of $75, and taking $36 from Bob's Barber Shop, 6303 Mission street.

A father of one of the youths began questioning him as to where he obtained the money he was carrying. He said he'd earned it caddying, but the father became suspicious, and on checking with the parents of one of the other youths, confirmed his doubts.

According to Daly City police, most of the money has been recovered.

The youthful burglars were placed in custody of San Francisco juvenile authorities after admitting the burglaries.

Offer Free Candy To Daly City Kids

Christmas candy—1000 bags of it—will go on a first-come, first-serve basis to Daly City kids.

Tom Tromborg, local plumber, is holding his fourth annual candy giveaway at his establishment, 6512 Mission street.

Distribution of the candy began yesterday (Thursday) and will continue until next Thursday.

Tromborg announced that youngsters may get their free bag of candy anytime from 8 a.m. to 5 p.m. weekdays and 8 a.m. to noon Saturday.

USED CAR ORDINANCE TIGHTENS CONTROLS

To reduce the "unknown quantity" of new dealers, the city council Monday night introduced an ordinance throwing tight restrictions on establishment of used car lots here.

The ordinance is modeled after one adopted by the city of San Bruno in 1952 and provides for "public protection" from fly-by-night dealers.

Section 4 of the ordinance provides that an application fee of $100 shall be paid by all dealers, while Section 5 stipulates that each applicant for a dealership license here must post a bond of $4000, which shall run to the city or to any firm or business sustaining an injury or damages covered by the bond.

Among the many rulings set down by the ordinance is one which requires all dealers to surface their lots with pavement, consisting of rock and gravel rolled and bound with an oil mixture to form a firm surface, or with an asphaltum pavement with sufficient base and thickness to be suitable for moving automobiles over it.

City Administrator Dan Andersen said such an ordinance has been needed for a long time and will reduce the "unknown quantity will reduce the "unknown quantity" for the consumer in purchasing used cars.

Monday night marked the first reading of the ordinance. The ordinance will become a part of the city statutes 30 days after the second reading.

The Town Record

(Continued from Page 1)

tically a saint for nearly 45 minutes.

MRS. ALMA KIRSCHBAUM, 748 Washington street, Broadmoor, is home again after a seven months jaunt of Europe.

Funny part of it is, she took the trip there to visit her children, who are all residents of the U.S.A., since transplanted by the military.

While in Paris she spent considerable time with her son, CAPT. WILLIAM S. KIRSCHBAUM, and her son-in-law and daughter, MR. and MRS. ROY S. NASH.

Home town boy makes good:

H. H. SMITH JR., president of the California Mission Trails association and son of DC's former mayor, is working to get the old Hearst Castle at San Simeon as a state park.

According to Smith, chances for the state's acquiring the plenty-million bucks estate looks good.

All points bulletin:

SGT. DAVE HANSEN of the local PD has just hit a triple. His third daughter, that is.

His wife, ROSEMARIE, gave birth to the young-un December 11. Name: KAREN.

That is all.

New Westlake Bank Of America Branch Quarters To Open

(Continued from Page 1)

ers and clerks.

Franco and his staff have been located in temporary quarters in the Westlake shopping center for the past year.

Jefferson Hi Grad Serves With WACs

Airman Second Class Evelyn M. Torres, daughter of Mr. Paul M. Torres, 1556 Kealie Dr., Honolulu, T. H., was assigned today to Headquarters Fifteenth Air Force. She will work as a clerk-typist in the personnel section here at the headquarters.

Airman Torres graduated from Jefferson high school, Daly City, California. Prior to her entry into the Air Force she worked as a clerk-typist.

She enlisted in the United States Air Force in January 1952. After completing her basic training at Lackland Air Force Base, Texas, she was assigned to Travis Air Force Base, Calif., as a clerk-typist. She was assigned to this headquarters from Travis AFB.

"Turnabout" Is Theme For Next Ort Meeting

"Turnabout" is the theme of the next meeting of the Northern Peninsula chapter, Women's American Ort.

This meeting will be conducted by the husbands, who for one night will vie with their wives in officiating at a meeting. This will be held on December 19 at 8 p.m. at the home of the membership chairman, Mrs. Albert DeNola, in Burlingame. Bingo, cards, dancing and refreshments will follow the meeting.

Large Group Gathers At Eagles Auxiliary Christmas Celebration

A large attendance gathered at the Eagles Ladies Auxiliary Christmas party.

Entertainment was furnished by the Jean Tischbern dancing school.

Specialty numbers were offered by Betty Malz and Nadine Kaufman on the accordian and tap numbers by Penny Almquist and Carole Seracola.

Refreshments were served by Helen Sievers and her committee.

Many gifts were distributed by Secret Pal Chairman Helen Sievers.

Catholic Service Worker To Speak On "Jackie" Before Mothers' Club

Miss Mary Tobin, Catholic Social Service Worker, will speak on "Jackie" when the St. Michael's Mothers' club holds its first meeting of the new year on January 5, 1954, at 8 p.m. in the school auditorium.

A mother member, Mrs. Catherine Sullivan, will give a short talk on the patron saint of the month, St. Michael. Plans for a spring fashion show to be held February 6, 1954, will also be discussed.

Refreshments will be served at the close of the meeting.

Exports through the San Francisco Customs District in 1952 to Canada were valued at $20,799,537.

Spark plugs always are easier to remove when cool, points out the National Automobile Club. Both the plug and its port expand when the engine block is hot.

Creedon Suggests Two-Point Plan To Save Taxpayers

A two-point program to save the state's taxpayers money was presented to the Daly City Chamber of Commerce yesterday (Thursday) by Daniel J. Creedon, state assemblyman from San Mateo county's 25th district.

Creedon said elimination of much waste could be brought about by adopting a general service administration program. He went on to explain that under this program, all government purchasing would be done through a single agency.

As it now stands, he said, one department may have an overabundance of one type equipment, while another department lacks that equipment. Under the present system it is impossible to transfer the necessary equipment. Under the GSA program, he explained, duplication of purchasing is done away with and inter-departmental red tape is eliminated.

Pointing out that the state is 15 billion dolars behind in its highway development program, Creedon offered a highway bonding plan as the method to ease financial pressure on taxpayers.

By building highways through floating of bonds, a measure of the burden would fall on future generations, he explained.

VEHICLE DEPARTMENT LISTS RECENT ACTIONS

Richard Glen Hubbard, 6368-C Mission street, and Henry Harold Yamron, 61 Dorchester drive, received drivers license suspensions in recent action by the state department of motor vehicles.

Ruben James Preciado, 47 Willits street, was placed on probation by the department.

David Francis Nolan, 219 Station avenue, was convicted of Vehicle Code section 502, driving while intoxicated, with no suspension recommended by court.

Winter Quarter At Balboa Adult School Starts January 4

Enrollment for the new Winter quarter at Balboa Adult School, Onondaga and Cayuga avenues, will commence on Monday evening, January 4, 1954, Mr. Robert F. Gray, principal, announces.

Instruction will be offered in English for Foreigners, citizenship, real estate, typewriting, radio and electric shop, mill and cabinet shop. These classes will be offered each Monday and Wednesday evening from 7 to 9 p.m. High school credit will be given upon request. Classes in stenography and business machines are also planned. These will be started if a sufficient number of pupils enroll.

These courses are a service of the San Francisco public schools and are tuition free. All interested adults are invited to enroll.

BAD WEATHER DRIVING

Accidents increase at night and in bad weather. Most of these mishaps can be avoided if drivers adjust driving habits to the hazardous conditions facing them, says the California State Automobile Association. It's also important to keep a car's safety equipment—tires, brakes, lights, horn, windshield wipers, steering gear—in good working order.

Tom, The Plumber Says:

Westlake School News

Third Grade
Mrs. Beber, Teacher

Mrs. Beber's third grade class have been studying about the weaving and pottery work done by the Indians. Each child has finished doing a weaving project of his own. This week the class is starting to work with pottery and will soon have an assortment of ash trays, vases, and bowls.

The class is very proud of Jerrene Dowd's performance as Marie in the Christmas program. To Jerry Dowd goes credit for drawing the Nutcracker she used. Eugene Pardini, Molly Bernard and Steven Goldhirsch were the Russian doll dancers from our class.

Again Mrs. James Moses has decorated the Multi-purpose room, and we are enjoying the snowman and lady and the fragrant pine boughs that she put in our room.

We have made many Christmas ornaments to use in decorating the tree that George Ellis is getting us.

To one and all, a Merry Christmas from our room.

Fourth Grade
Mrs. Schober, Teacher

Plans for Christmas are a buzzing here at school. Room 9 is being readied for Christmas festivities. The children have made a huge Christmas card bordered in holly leaves. Designs were submitted by the class for a mural. Donald Bosbery's drawing, showing Santa, his sleigh and reindeer flying over the housetops, was chosen. A large fireplace with filled stockings is featured at the back of the room.

Lois Buhler from Quincy, and Eugene Lewis from San Francisco have entered our class. We are glad to have them.

Third Grade
Mrs. Lewis, Teacher

Our Christmas PTA program was a big success! Our class presented the Trepak, a Russian dance. Laurel Kimbrell, Barbara Howser and Mark Biagi were excellent dancers and their authentic Russian costumes were beautiful.

We have two new students this month. Diane Gladstone and Robert Stout. They are enjoying being in our class.

We are in the midst of decorating our room for Christmas. It will be very colorful when we have finished all our plans.

We collected several large boxes of warm clothing for the Navajo Indians. Mrs. Lewis took the clothes to a firehouse in San Francisco where they will later be mailed to the needy Navajo Indians.

Santa Claus Is Coming To Town

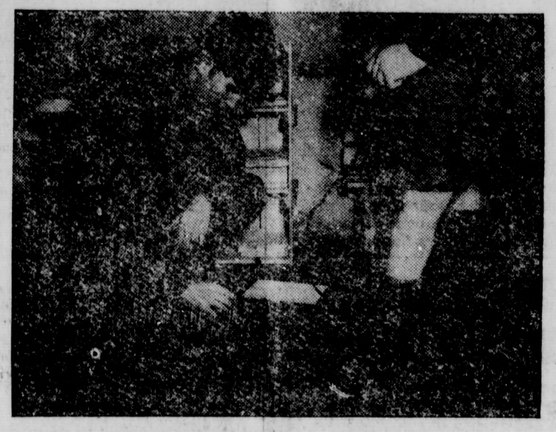
AND WITH A SLEIGH FULL of homemade sweet spreads! These sparkling jars of jams and jellies—made in your kitchen the easy short-boil way—fill handsome jars that can be used later for cosmetics. Nestled in the gaily painted toy sleigh with pine cones and holly leaves, these spreads make a Christmas gift or centerpiece that will be a real holiday hit.

Try this easy-to-make recipe for Strawberry Jam made with quick-frozen strawberries as a starter. When you use natural fruit pectin, you cut down on boiling time so that not one bit of the delicious flavor is lost and the result is always superb. A recipe folder comes with each purchase of natural fruit pectin—so try tangy Orange Marmalade and tart Apple Jelly too—and spread "Merry Christmas" throughout the year.

QUICK-FROZEN STRAWBERRY JAM
Yield: about 9 medium glasses

4 cups (3 twelve-ounce boxes) quick-frozen sliced strawberries
2 tablespoons lemon juice
5 cups sugar
½ bottle Certo liquid fruit pectin

Thaw strawberries as directed on package. Place in a very large saucepan and add lemon juice. Add sugar to strawberries and mix well. Place over high heat, bring to a *full rolling boil*, and *boil hard 1 minute*, stirring constantly. Remove from heat and at once stir in liquid fruit pectin. Skim off foam with metal spoon. Then stir and skim by turns for 5 minutes to cool slightly, to prevent floating fruit. Ladle quickly into glasses. Cover jam at once with ⅛ inch hot paraffin. (ANS Features)

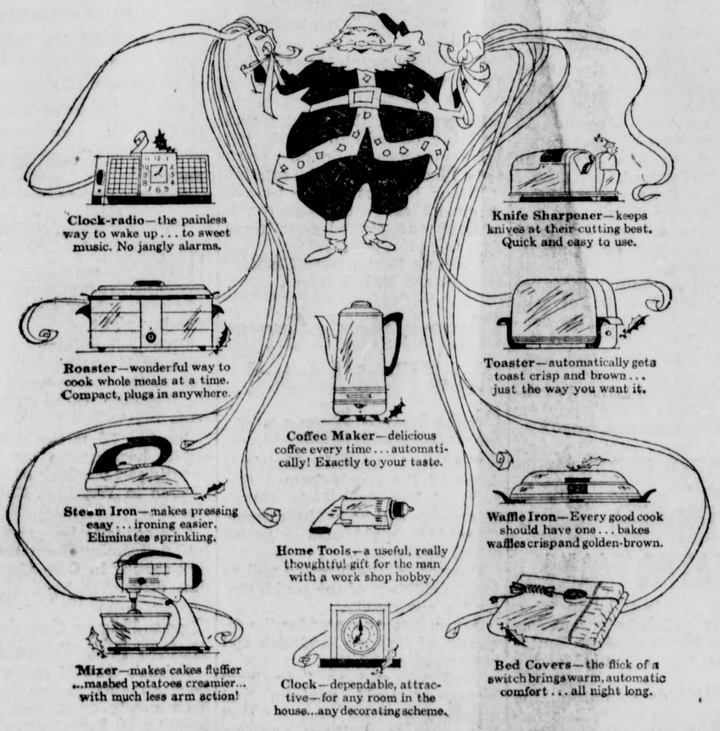


AFTER THE WADING PARTY, an Army Quartermaster test trooper checks the body temperature of one of his buddies. Such scientific experiments have made American soldiers the world's most comfortably clad and has helped them to lick a formidable enemy—the weather.

you can please everybody

with these wonderful electrical gifts!

No more gift-list guesswork for you—when you tie up your Christmas shopping in one easy stop . . . at your appliance dealer's! You'll find a sure-to-please electrical gift for everyone.



Clock-radio—the painless way to wake up . . . to sweet music. No jangly alarms.
Knife Sharpener—keeps knives at their cutting best. Quick and easy to use.
Roaster—wonderful way to cook whole meals at a time. Compact, plugs in anywhere.
Coffee Maker—delicious coffee every time . . . automatically! Exactly to your taste.
Toaster—automatically gets a toast crisp and brown . . . just the way you want it.
Steam Iron—makes pressing easy . . . ironing easier. Eliminates sprinkling.
Home Tools—a useful, really thoughtful gift for the man with a work shop hobby.
Waffle Iron—Every good cook should have one . . . bakes waffles crisp and golden-brown.
Mixer—makes cakes fluffier . . . mashed potatoes creamier . . . with much less arm action!
Clock—dependable, attractive—for any room in the house . . . any decorating scheme.
Bed Covers—the flick of a switch brings warm, automatic comfort . . . all night long.

Stop in and shop at your appliance dealer's today. Any of these electrical gifts costs just pennies a month to use . . . because of low P. G. and E. rates for electricity.

Electricity is cheap in California!

OBITUARIES

Edwin A. Butenhof

Funeral services from W. C. Lasswell & Co. this afternoon (Friday) at 1:45 p.m. mark last rites for Edwin A. Butenhof, a mail clerk, who dies at his home Tuesday at the age of 46.

A native of Wisconsin and a resident here for eight years, he was a mail clerk for the Postal Transport Service. He lived at 172 East Vista.

He is survived by his widow, Netta C. Butenhof; two sons, Edwin A. Butenhof Jr. and James R. Butenhof; his mother, Mrs. Bertha Butenhof; and a sister, Mrs. Helen Blaney.

The deceased was a member of the Carpenters Union, Local 22, the Railway Mail association and Francis Drake Masonic Lodge No. 376, F&AM.

Today's services will be under auspices of his Masonic Lodge. Entombment is set for Golden Gate National cemetery.

James T. Shannon

James T. Shannon, Daly City resident for 43 years and founder of the local hardware store that still bears his name, passed away Tuesday at the age of 87 at Villa Sanitarium.

Shannon came here from Iowa in 1910, establishing a local hardware store.

He lived all that time at 7 Los Banos avenue.

Surviving him is his widow, Mina Shannon.

Services were conducted yesterday (Thursday) from W. C. Lasswell & Co. Inurnment was at Olivet Memorial park.

Edward F. Church

Last rites will be held today (Friday) from W. C. Lasswell & Co. for Edward F. Church, who died Tuesday in a San Pablo motorcycle accident. He was 28 years old.

Church, who lived at 1239 Brunswick street, was the son of Arthur and Myrtle church, brother of Arthur W. Church Jr. of Los Altos, Mrs. Ethel Harrigan of Redwood City and grandson of Mrs. Cora E. Young of Millbrae.

He was a member of the Musicians Union, Local 6, Colma-Vista Grande Aerie 1848, FOE, and Building Service Employees Union, Local 87.

Inurnment followed today at Olivet Memorial park.

The world's largest irrigation project is that of the Missouri River Basin, six million acres.

Drawing In W'stlake

The final drawing for ten bicycles, presented by the Westlake merchants and Henry Doelger Inc., will be held tonight (Friday) at 7:30 p.m. in the Westlake shopping center.

With tonight's drawing, a total of 30 bicycles will have been given away. All bikes will be presented to the winners on Tuesday night, December 22.

Winners of last week's drawing were: F. Amantou, 100 Windsor drive; E. Gugel, 38 Westlawn drive; Mrs. Mitchell, 664 Edgemar drive Sharps Park; Jeannette Thomas, 5 Wilshire drive; R. Smith, 45 Westdale avenue; Lorna Negus, 160 Lynnewood drive; B. Ladner, 17 Westdale drive; C. Barron, 2238 Santiago street, San Francisco; E. Carney, 700 Taylor street, San Francisco; and Cathy, No. 42494.

OBEY TRAFFIC SIGNS

Signs, signals and markings are visible symbols of traffic laws and safety rules. It is always to the driver's advantage to heed and obey them, advises the California State Automobile Association. Here in California nine out of every ten fatal and injury accidents involve at least one traffic law violation. Break a traffic law and you'll probably have an accident.

ALL FROM THE SAME POCKET

Despite what voters were led to believe as to the attributes of last year's ballot proposition to increase state support of schools, school taxes throughout the state have continued to climb.

On passage of this proposition, it was believed that the state would take some of the weight off district taxpayers through increased support of schools.

This has not proved true.

Take, for instance, Jefferson elementary school district.

State support of the district is now up 23 per cent from the $489,906 budgeted for 1952-53 to $601,407 for 1953-54. At the same time school taxes have risen 19 per cent, from last year's $398,057 to $472,424 this year.

This is not an isolated case. In San Mateo county alone state support of school districts increased from 18 to 45 per cent, while school district taxes rose anywhere from 13 to 29 per cent.

Of 209 school budgets examined by the California Taxpayers' association, only 11 showed a drop in state support and only 35 indicated any drop in property taxes.

Of the total 93 were elementary districts. All but one of these anticipated an increase in state support—89 of them an increase of ten per cent or more. Forty-two expected a jump in state support of 30 per cent or more. Only 11 of the 93 estimated a drop in local taxes—48 expected increases of ten per cent or more.

Whether local property taxes would be even greater had not the proposition increasing state support passed, is anybody's speculation.

The way it appears, however, is that no good has been done, economy-wise, as far as local taxpayers are concerned.

The state, "acting" as a benefactor, is merely granted that much more say-so in the doings of local districts.

All these facts actually mean only one thing—in the final analysis all the money is coming from the taxpayers pockets and the state's school system is taking the biggest bite of all.

A GOOD JOB AT TWICE THE PRICE

Members of the library commission, traditionally unsung or even unknown workers behind the city scene, deserve considerable credit for their program that has increased the capacity of the library almost double and made for more efficient operation.

The project, which consisted of detailed re-arrangement of book racks and desks at the local library, consumed many un-paid hours of the commissioners' time.

What's more laudable, the change at the library was brought about at relatively little cost to the city.

Working with a microscopic budget, the commissioners showed remarkable ingenuity in arriving at an improvement program for the library that cost only the labor used to make the changes.

In this day and age when officials don't think they're getting something done unless it runs into four figures on the city budget, the library commission showed that perseverance and civic consciousness can perform some jobs that money can't buy.

Our editorial hat is off to the commisisoners who, without benefit of the long green, saw a job and did it.

TIME TO REMEDY TRAFFIC BUGABOOS

At this time of the year, with traffic injuries and fatalities on the climb, local traffic problems are more keenly brought to mind.

Two undesirable situations which are more readily obvious are the Knowles-Mission and the Flournoy-San Jose avenue intersections.

Traffic going east on Knowles avenue onto Mission street is faced with one of the most dangerous thoroughfares in the city.

Stopped on a steep incline, Knowles avenue drivers then must cross one of the most heavily travelled highways in the Bay Area, with virtually no vision to their left.

Why there have not been more accidents at this corner can probably only be written off to good fortune.

Another hazardous crossing has risen out of the moving of the municipal bus terminal to San Jose avenue near Flournoy.

When two or three buses are packed together on San Jose, a driver proceeding west on Flournoy must chance it to travel south on San Jose, visibility in that direction being practically nil, due to the bus obstruction.

The first problem may be erased when the Mission traffic island is installed.

But the second is a bit more ticklish. As long as the buses park on San Jose avenue it will be impossible for Flournoy traffic to observe north-bound autos on San Jose.

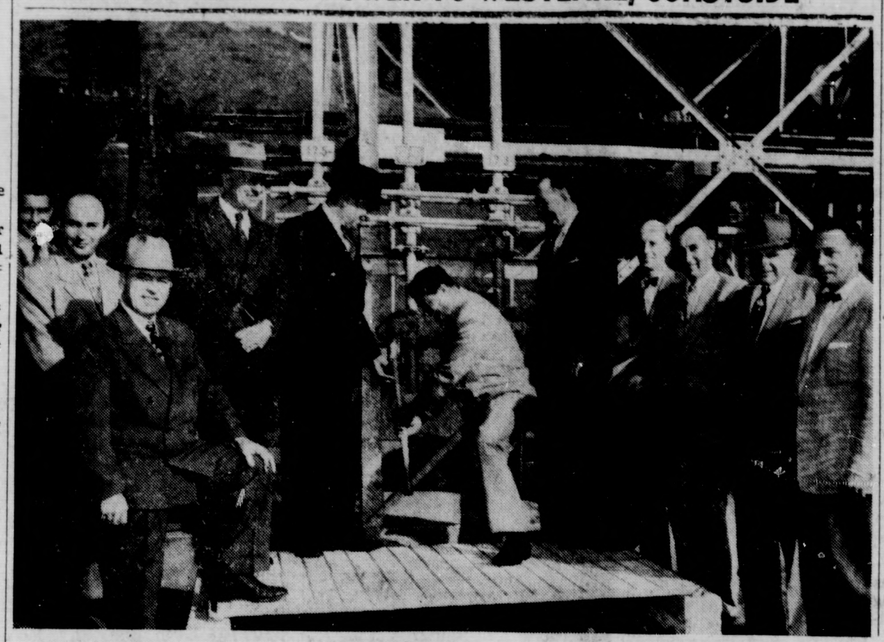
Whether this is a problem of policing or engineering, we are not inclined to say. Nevertheless, something should be done before a fatality or serious injury occurs at that intersection.

CARBON MONOXIDE

Tests have shown than an automobile following another closely in heavy traffic can pick up enough carbon monoxide from the exhaust of the first vehicle to have its distinct physical effect upon the following driver, reports the National Automobile Club. It is something to keep in mind if you find yourself suddenly inclined to drowsiness when driving in unduly heavy traffic.

California has more licensed nurses than any other state.

SUBSTATION BRINGS POWER TO WESTLAKE, COASTSIDE



120,000 VOLTS poured into the new PG&E sub-station Friday as the station was energized from the Bayshore transmission line. The local Chamber of Commerce and PG&E officials commemorated the occasion with a luncheon preceding the actual energizing. With the pulling of the switch Friday two "feeder" lines were also energized. The station now delivers power to the Westlake and coastal areas. Shown here (left to right) are: Ed Florina, Robert Hunter, E. R. Daniel, William Bedgood, Grover Tracy, Anthony Gaggero, William Kennedy, Fred Bertetta, Joe Rohl, Peter Markovich, A. B. Cook and Dan Andersen.

Letters To The Editor

Dog Owners' Secretary Calls Attention To Statement Made By Charles Griff

Gentlemen:

Thank you very much for the enlightning publicity in the current issue of the paper dated December 10th re: "Fifty Dog Owners Enter Protest."

This is to call your attention to that paragraph of your column re: Vice president of the group, Mrs. G. Deucher, etc. "Her husband also spoke briefly relating how he has been blamed many times for harboring a nuisance dog, when in reality the source of the trouble came from elsewhere, such as a burning dump."

Please be advised that my husband made no such statement, these facts having been presented by Mr. Charles Griff of our group.

Will you please correct this statement. If you will review your notes you will find my husband made some very helpful suggestions which I hope the Councilmen will give due consideration.

Sincerely yours,
(Mrs.) G. Deucher
Secty., Dog Owners' Group

In The Past

TEN YEARS AGO IN THE RECORD

Thursday, Dec. 16, 1943—Method of collecting business licenses in the Colma area was changed by action of the town council at its regular monthly meeting, held Monday, in the temporary offices at E. A. Weisenburger's, on El Camino Real .

Because of manpower and fuel shortages, a resolution was passed making all such licenses payable at the city clerk's office, across the street from the Cypress Lawn cemetery.

The list of 155 newly naturalized San Mateo county citizens, who were granted their citizenship papers after examinations conducted last week before Judge Maxwell McNutt in the superior court at Redwood City included the following from Daly City and Colma:.

Colma—Luigi Descaizo, Cesare Agresti, Angelina Micheletti, Maria Adreveno, Aguste Cavalli.

Daly City — Vasco Melani, George A. Spoulos, Vincent W. Tufo, Sebilla Biasotti, Clementina Casentini, Michael Sibitz, Rizieri Morini and Maria Malaspina.

Staff Sergeant and Mrs. George Claus, 94 Theta avenue, are being congratulated upon the arrival of a son, November 28. Sergeant Claus, who is stationed at Yuma, Ariz., expects to be home some time in December to get acquainted with his new son.

Two other local couples are celebrating "new arrivals." Mr. and Mrs. Nick Doukas, 128 Vale street, had a son November 30, and Mr. and Mrs. William F. Glennon, Daly City, are the parents of a son, born November 30.

FIFTEEN YEARS AGO IN THE RECORD

Friday, Dec. 16, 1938 — Rapidly nearly completion is the new children's playground at Acton and Brunswick streets, reports the Daly City recreation department. Four pieces of playground apparatus have been installed and additional pieces will be added in the very near future.

Due to the heavy attendance at this new play center, an instructor has been appointed, making possible supervised play each school day afternoon.

Mrs. J. Elmer Kennedy of Winchester street entertained the members of her bridge club Friday of last week. Guests included Miss Dee Hill and Mesdames R. J. Ennis, Winifred Campbell, Virginia Anne Rounds, Anne Tallon and Rae O'Neil.

One hundred and eight San Mateo county men and women were dropped from the WPA rolls this week under the government's curtailment program, George A. Jenkins, county manager, reported.

The curtailment order was announced as members of the Workers' Alliance were completing plans for a mass demonstration this week at the WPA office in protest over the reduction.

TWENTY-FIVE YEARS AGO IN THE RECORD

Friday, Dec. 21, 1928—A very delightful birthday party was held at the home of Mrs. S. W. Stone, 352 San Diego avenue, last Friday evening. After partaking of a delicious supper, prepared by the ladies, the Rev. C. O. Lundquist, of the Lutheran church, delivered a short address and spoke very highly of Mrs. Stone and her most valuable services rendered the church.

Those present were Mesdames C. O. Lundquist, F. Olson, F. A. Hjelte, C. A. Leaf, C. V. Olson, N. M. Matson, E. Petterson, M. Morrison, Axel Johnson, J. S. Mellin, T. Blakeley, Thomas Olson, Carl Wengard, Pontus Olson, John Johnson, Charles Bjork, J. A. Sandell, A. E. Brown, Johnson, Lamo, Schrauth, V. Rasmussen and Gustaf Olson.

Mr. and Mrs. A. P. Allen of Pacheco avenue entertained a group of friends in honor of their son Raymond, who celebrated his eighteenth birthday on last Wednesday evening. Most of the guests were his friends from Daly City.

The guests were Misses Esther Steelhammer, Edna Steelhammer, Dolly Hogan, Dorothy Miles, Ena Raffka, Grace Gaumpertz, Eleanor O'Neill, Elizabeth Cropper, Ruth Lewis, Dorothy Riddell and Patricia Allen; Messrs. Phillip Dunn, Pinkey Traver, Charles Pilgrim, Bud Magill, Francis Brocar, Malcolm Stotts, Carl Lundin, Frank Schwass, Norman Hurrel, Fred Mott, Harry Morrison and Ray Allen.

REMEMBER THE SHOCKS

Shock absorbers, even of the most advanced design, will generate considerable heat in operation, points out the National Automobile Club. The heat, in turn, will evaporate the fluid with which they are filled.

Safety News From Your Local Police

SAFE HOLIDAY TIPS

Holiday Mood. Stay alert. Keep your wits about you whenever you're in traffic—on foot or in a car. Don't venture into the street—walking or driving—if you've been drinking. "If you drive, don't drink, if you drink, don't drive" is a good motto for the holiday season.

Darkness. When you drive, darkness is a signal to reduce speed and increase vigilance. Be sure all car lights are in good working condition. When you walk, darkness gives the same warning . . . to proceed more cautiously and be more alert. Remember, motorists can't see you in the dark. Wear light colored clothing, especially when walking along rural roads.

Weather. Bad weather is another condition that cautions: Slow down. Reduced speed is your best weapon against rain or muddy or slippery pavements. Keep windshield clear at all times.

BECAUSE:

In 1952, in 23 out of 100 fatal accidents, a driver or a pedestrian had been drinking. Among drivers involved in fatal accidents, 18 out of 100 had been drinking of those whose condition had been reported.

In 1952, 55 per cent of all fatal traffic accidents occured at night, and on a mileage basis, two to three times as many traffic accident fatalities occur at night as in daylight.

According to reports, the weather was rainy or foggy in one out of six fatal traffic accidents, and in nearly one out of eight fatal accidents, the driver's vision was obscured.

These are the things that make holiday time a dangerous time.

Accident Report
(Dec. 6 to 13)

Total: Nine accidents.

Breakdown: Six auto-property; three auto-injury; five persons injured.

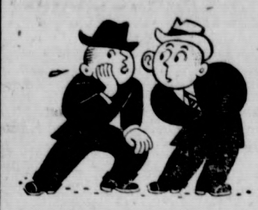
Dealer Announces Arrival Of New GMC Truck Models

The first of a shipment of 1954 GMC trucks, combining functional styling and a 125-horsepower engine in the light line, has arrived at the dealership of Peter Venturino, 5975 Mission street, and will be on display tomorrow, Venturino announced.

In addition to styling and extra power for the light duty GMCs, truck Hydramatic has been extended through the medium duty classifications which range up to 45,000 lbs. gross combination weight. The Hydramatic transmission for these medium-duty trucks and highway tractors has eight speeds forward and two in reverse and is patterned after those used in the famed GMC 6x6 military trucks that went through the most rugged conditions on the battlefields of Korea.

At 125 horsepower, the 248 cubic inch gasoline engine makes GMC light trucks the most powerful of any in the half-ton through one-ton field. For truck operators needing more economy than power, there is a special carburetor for the 248 engine that gives extra mileage while having a maximum of 115 horsepower.

CITYFIX-UP



By The Squack Doctor

A citizen, who prefers to remain unnamed, asks the Squack Doctor what gives on the 100 block of Irvington street.

He says recently the water department replaced a fire plug there, breaking up the concrete in the side-walk area surrounding it.

Now, he adds, the kids are carting off the loose chunks of concrete, rolling them around and creating a general nuisance.

His question is, "When are they going to clean up the mess?"

Again we have a loyal customer of this column, Mrs. Jack White of Templeton street.

Here is her letter:

"Christmas is nearly here. How many local citizens have done or will do their shopping in Daly City?

The obstacles in the path of a shopping tour in Daly City are varied.

How do you cross Mission street legally—without taking all day? Time is of the essence.

How about a parcel-checking station? Arms get very tired.

The distance involved isn't too great, but still, if you shop in the "top of the Hill" area, you miss the School street area, And Westlake? It is part of Daly City.

The shopping areas are not very accessible if you don't have the use of a car.

Considering the above, doesn't it seem much simpler to hop a bus into the lower Mission area, where shopping is concentrated or take a bus to Stonestown?

Time is saved, and so is energy.

I have not done any extensive shopping in Daly City—just a few odds and ends. Not that I wouldn't like to support the local merchants—but they don't really solicit the business or help to make shopping any easier here."

HAVE CHANCE TO AID TB FIGHT

Once again, with the approach of Christmas, Daly City residents have an opportunity to show—as they have shown many times in the past—that they are, indeed good neighbors. Through the generous purchase and use of Christmas Seals now being sold to support the work of the San Mateo County Tuberculosis Association, they have a chance to aid the year round fight against tuberculosis in this community.

Modern knowledge about TB has drastically cut the number of deaths from the disease, and the death rate will continue to drop as scientific research learns ever better ways of treating TB. In spite of this, more Americans still die from tuberculosis than from all other infectious diseases combined.

The San Mateo County Tuberculosis Association is working constantly to eliminate tuberculosis in our community. Its four point program includes health education, case finding, rehabititation, and medical research. Christmas presents each one of us with an opportunity to support this program actively. The Christmas Seal Sale is the only source of funds to carry on and expand the work of the association.

Tuberculosis can be defeated. Now is the time to buy and use Christmas Seals.

COLOR VALUE IN OIL

Light colored and highly transparent motor oils are obtained by certain refining processes, according to the National Automobile Club. The color of an oil is of little value to the consumer for judging its value as an engine lubricant but should assist in the direction of dirt or other foreign material. There is no known relation between color and service performance.

How Can I?

Q. How can I get the maximum of heat out of gas burners?

A. The gas burners must be given proper attention in order to secure the right kind of flame and the maximum of heat. The burners should be washed often with soap suds and water to prevent them from becoming clogged.

Q. What can I do when kid gloves have become spotted by rain drops?

A. Do not allow them to dry, but while they are still on the hands and damp, rub very gently with a damp cloth so that the rain drops are scattered. If this is done in time, the gloves will not spot.

Q. How should a lamp be placed when reading?

A. The light should always come from the left and slightly to the rear of the chair when one is reading. Never lie down to read, as this position produces a strain on the eyes.

Q. How can I avoid toughness when baking cookies?

A. When cutting out cookies, they can be handled more easily if the dough is chilled several hours before it is rolled. Place as little flour as possible on the board, because extra flour and much handling result in tough cookies. Roll out and cut a few cookies at a time.

Q. How can I clean a bronze article?

A. One of the best methods is to dip the article in boiling water and then rub with a soft cloth dipped in yellow soapsuds. Last, polish with another soft and dry cloth.

Q. How can I remove paint stains from clothing?

A. Paint stains on clothing can often be removed simply by rubbing the stain with the wrong side of the same material.

Q. How can I make stockings last longer?

A. Wash them before wearing. Be sure that no soap is left in the silk. Their life will also be lengthened if they are washed immediately when removed from the feet, as perspiration rots the silk very rapidly.

Q. How can I renovate velvet?

A. Put a little water into a tea kettle, tie a piece of cheesecloth over the spout and let it boil vigorously. Hold the velvet in the steam shaking it gently, until the pile stands up. Be careful to keep the velvet from the flame.

Q. Is freezing injurious to olive oil?

A. Yes, so keep it in a place that is of moderate temperature. Always see that it is in an airtight container.

Q. What can I do if the amount of whipped cream on hand does not seem to be sufficient?

A. Merely add the white of an egg, well-beaten.

Q. What is a good cleaner for silk, satin, lace, or any cloth?

A. A paste made of granulated cornmeal and cleaning fluid makes a good cleaner for almost any cloth. Cover the soiled parts and leave on for a short time; then brush off thoroughly. This leaves no rings or streaks. When brushing any silk goods, use a piece of velvet.

My Mad World

By Leonore Brewer

We had intended to devote today's message to the problems inherent in buying a record for a friend. This is an undertaking that is fraught with pitfalls, and with Christmas rushing toward us this seemed as good a week as any to pass on a few grains of wisdom to guide the unwary along this hazardous path. We had even planned to spend the better part of an afternoon searching for an appropriate record or two that would be suitable for certain difficult situations. And it was here that we went wrong.

As we wandered through the record shop, we saw on a shelf two copies of Verdi's "Otello," one by Urania, the other by RCA Victor. Instantly we were fired with the inspiration to listen to both, compare and in a few sparkling paragraphs sum up our criticism of the two recordings. We could visualize you, teetering on the brink of buying just this opera, but hesitating, awaiting our advice. True, we had never tried this before, but it shouldn't be too difficult, the big time critics do it all the time. Of course there is a slight difference between them and me. Somebody sends them free copies.

Lest you, too, think that to be a record reviewer is a snap job—you just stack the records and snap the switch—we've got news for you. We cannot recall ever putting in such a day in our life. We first listened to the Urania version, whose singers are unknown to us. We then stacked Toscanini conducting Herva Nelli, Roman Vinay and Giuseppe Valdengo. This added up to twelve sides, and there began to creep in the first faint doubt that possibly record reviewing was more complex than we had thought. However, nothing daunted, we sat down to listen to each side individually, comparing as we went. There were only two things lacking, an extra room and another complete set of equipment. We could then have run back and forth, listening to the two simultaneously.

At first listening we were inclined to vote for Toscanini, but were tortured by the idea that perhaps we were being unduly influenced by the Master's name and our familiarity with the singers. In our exhausted condition at the end of the second complete hearing of both operas, we even cheated a little and consulted a review by a nationally known critic. He spoke in glowing terms of the Urania recording, terming it "probably the best of all recorded Verdi in terms of sound itself, one of the most sensational of all operatic recordings." Urania's "Otello" is good, but not that good, and its sound when compared to RCA's is strident, sharp and totally without any depth. We're keeping Toscanini and recommend you do the same.

All in all it was a soul-shattering ordeal. We doubt if we'll attempt it again, at least not in the immediate future.

PASTOR WILL DELIVER FINAL SERMON

FAREWELL SERVICE for the Rev. William Harberts, shown here with Mrs. Harberts, will be held at the Grace Presbyterian church Sunday, December 27. Following the 11 a.m. worship service an open house with refreshments will be held, with the general public welcome. The Rev. Harberts has served as Grace church pastor here the past ten years and was instrumental in the project to construct the new Presbyterian church on Crocker and Winchester streets.

—THE RECORD photo

Sacrament of Baptism, Candlelight Service Sunday At Grace Church

In connection with the morning worship service last Sunday at Grace Presbyterian church a large number of adults and children received the Sacrament of Baptism, while 12 adults were received into full membership of the church.

Sunday school attendance for that day was reported as being one of the largest of the year.

In the evening at 7:30 o'clock the traditional candle light installation of officers for the Women's council of the church was observed.

Mrs. Alfred Runnells presented a devotional. Mrs. H. S. Garrison presided at the business meeting . On behalf of the Women's Council, Mrs. Walter Kesler presented Mrs. Garrison with a past-president's pin.

Mrs. William Harberts acted as installing officer at the special ceremony, using a service prepared by Mrs. C. Wallace Bayne, of Tucson, Ariz. Mrs. Einar Hanson presided at the organ. The Misses Phyllis Blackburn and Lorraine Bergstrom were candle lighters.

The following persons were installed: Mrs. Leela Frazier, president; Mrs. Runnells, vice president; Mrs. H. S. Holcomb, secretary; Mrs. Stanford Hannah, treasurer; Mrs. Garrison, chairman of world service; Mrs. Kesler, chairman of fellowship; Mrs. Betty Heisch, chairman of Dorcas Circle; Mrs. Glenn A. Blackburn, Martha Circle; Mrs. Myrtle Klinger, Lydia Circle; Miss Louise Schwab, Esther Circle.

Martha Circle, under direction of Mrs. Blackburn and assisted by Mesdames Lloyd Mabie, Dick Hunter, and H. S. Holcomb, served by Mesdames Lloyd Mabie, Dick Hunter, and H. S. Holcomb, served a silver tea to close the Women's Council's activities for the year.

SCHEDULE TWO SERVICES SUNDAY AT GRACE CHURCH

Two services will be held Sunday at Grace Presbyterian church.

In connection with the 11 a.m. worship the combined choirs, under the direction of Miss Marian Walker, will sing two beautiful anthems. The pastor, the Rev. William Harberts, will preach on an appropriate subject.

At 4:30 o'clock in the afternoon a vesper service will include a Nativity pageant, presented by the Grace church choir and the Sunday school, under the direction of Miss Walker, assisted by Mrs. Harberts and the teachers of the Sunday school.

John Walker will take the part of the reader, while others of the cast will be: Pat Michelsen, Mary; Gary Gardner, Gabriel; Yvonne Felch ,angel; Jack Kane, Joseph; Ronald Bias, Gary Smith and Jimmy Price, shepherds.

The public is invited to attend.

Church Xmas Activities Sunday for Presbyterians

Observance of special Christmas activities will take place Sunday at Broadmoor Community Presbyterian church.

The choir will deliver four numbers at 11 a.m. and an appropriate message will be given by the Rev. John A. Glasse, minister.

At 6 p.m. the all-church family Christmas presentation will be held, with 15 high school students presenting a play.

Following the play refreshments and social fellowship will take place.

Don't drive with only your parking lights at daybreak or dusk, advises the National Automobile Club. A poorly lighted car can be as great a danger as a car with no lights at all. If lights seem necessary, full headlights should be used.

ANNOUNCE LUTHERAN CHRISTMAS SERVICE

The Sunday school children of Bethel Lutheran church, Alemany boulevard and Huron avenue, will conduct two Christmas services on Sunday.

The primary department meets at 3:30 p.m., and will present the Christmas service entitled "O Holy Night," with Christmas carols, recitations and a film strip. The advanced department meets at 7:30 p.m. The subject: "What Can I Give Him?" is to be portrayed by shadow pictures, with the members of the various classes presenting the message. The junior choir will sing various selections for the scenes.

The Sunday school will meet in the morning at 9:30 o'clock. Divine worship will be conducted at 10:45 o'clock. This will be the final advent service in preparation for Christmas.

CHILDREN'S PROGRAM AT LUTHERAN CHURCH

Songs and recitations by the children of the Sunday school will highlight the children's Christmas program to be held by Hope Lutheran church Wednesday at Broadmoor community center.

Special music by the children's choir will also be furnished, according to the Rev. Louis C. Marting, pastor.

Gifts will be distributed by all the teachers after the program.

Parents and friends are invited to attend the function.

SELF ENFORCEMENT

Wise motorists know that traffic rules and regulations and the laws of safety on which they are based operate to the motorists' advantage and that it is to their advantage to see that these rules operate. They therefore, according to the National Automobile Club, practice a great deal of self enforcement of these rules and regulations. What is your attitude towards the traffic laws and regulations? Do you practice a wise self-enforcement?

Pastor Announces Yuletide Services For Hope Lutheran

Yuletide observances for the Hope Lutheran church were announced this week by the Rev. Louis Marting, pastor.

A special service of song and devotion will be held Christmas eve at 11 p.m. at the Broadmoor community center.

A ceremony of candle lighting will climax the service.

A special program of Christmas music by the choir includes Pietro Yon's "Gesu Bambino," "O Holy Night," "The First Noel," "Angels We Have Heard On High," and the ancient plainsong carol "Of The Father's Love Begotten."

The worshippers will participate in the singing of the carols.

A worship service for the Festival of the Nativity of Our Lord will be held on Christmas day at 10 a.m. in the center.

The Treble choir will sing "O Holy Night," and "Gesu Bambino."

The Rev. Marting will deliver the festival sermon.

All persons are cordially invited to attend this service and the special 11 a.m. rites on New Year's day.

First Assembly Church Program For Sunday

The sermon "God's Christmas Gift To Man," will highlight the special Christmas services Sunday at the First Assembly of God church, Evergreen and Hanover streets.

Delivering the message will be Pastor W. P. Rutledge.

Yuletide music will also be presented at the worship service, which commences at 11 a.m.

That evening at 7:30 o'clock a Christmas program will be presented. The pastor announces treats will be provided for all who attend.

NEW JAPANESE TRAVEL OFFICE

A new link in the chain of interdependence between the United States and Japan was forged here this week with opening of the San Francisco headquarters of the Japan Travel Information office in the Palace Hotel.

PETITION FOR ANNEXATION TO THE BROADMOOR POLICE PROTECTION DISTRICT

WHEREAS, the undersigned, residents of the area hereinafter set forth, are without police protection except insofar as that which can be furnished by the San Mateo County Sheriff's Office, in Redwood City, California, a distance of twenty miles from our area, and

WHEREAS, the District is without adequate ambulance service or without protection for emergencies or for traffic control at the time of fires, and

WHEREAS, the Broadmoor Police Protection District has facilities for furnishing adequate police protection and ambulance service to us, and

WHEREAS the area in which we reside is not a part of any police protection district, but is contiguous to the Broadmoor Police Protection District,

NOW, THEREFORE, it is respectfully requested that the Board of Supervisors of the County of San Mateo, State of California, take the necessary steps, in accordance with the provisions of the Health and Safety Code and Government Code, State of California, to hold a hearing and election to annex the territory below described to the Broadmoor Police Protection district so that said District and the Colma Fire District are coterminous in boundaries.

The area proposed to be annexed has an assessed valuation as determined by the last assessment roll of $2,236,995.00. The district is described as:

BEGINNING at the point of intersection of the easterly line of Section 11, T3S, R6W, with the northerly line of San Pedro Road now known as Edgemar Road, as said Edgemar Road is shown on the "Official Map of the County of San Mateo, California," copyrighted in 1950, said point being in the boundary line of the Broadmoor Police Protection District of San Mateo County; thence in a general easterly direction along said boundary line and the northerly line of said Edgemar Road to the westerly line of Junipero Serra Boulevard as shown on said Map of San Mateo County; thence northerly along the boundary line of said Police District and said westerly line of Junipero Serra Boulevard to the intersection thereof with the southwesterly prolongation of the northerly line of San Pedro Avenue as shown on said Map of San Mateo County; thence northeasterly along said prolongation and the northerly line of said San Pedro Avenue to a point in the southwesterly line of the Southern Pacific Company right-of-way, last mentioned point being also the boundary line of the Incorporated limits of the City of Daly City; thence leaving the boundary line of said Police District and following the boundary line of said Incorporation of Daly City southeasterly along said right-of-way line of the Southern Pacific Company to the southeasterly line of said San Pedro Avenue; thence northeasterly along last mentioned line to its intersection thereof with the easterly line of Reiner Street, as shown on "Map of the Lands of the School House Homestead Association" recorded in Book 1 of Maps at Page 9, San Mateo County Records; thence southerly along said easterly line of Reiner Street to the southerly line of Lot 7, Block 14, as shown on last mentioned Map; thence easterly along last mentioned southerly line to the easterly line of said Block 14; thence northerly along last mentioned easterly line 13 feet more or less to the southwesterly line of the State Highway, shown as El Camino Real on said Map of San Mateo County; thence southeasterly along said southwesterly line of El Camino Real to a point which lies southwesterly measured at right angle to said line of El Camino Real from the point of intersection of the easterly line of County Street and the northeasterly line of said El Camino Real, as said County Street is shown on Map of "Garden Valley Land Association," recorded in Book 1 of Maps at Page 8, San Mateo County Records; thence leaving said southwesterly line of El Camino Real northeasterly in a direct line to said point of intersection of El Camino Real and County Street; thence southeasterly along said northeasterly line of El Camino Real to the northerly line of "A" Street, as shown on said Map of San Mateo County; thence along last mentioned northerly line to the dividing line between Lots 64 and 75, Block 8, as shown on said Map of "Garden Valley Land Association"; thence northerly along said dividing line and the northerly prolongation thereof to the center line of Valley Street, as shown on last mentioned Map; thence easterly along last mentioned center line to the center line of Second Avenue, as shown on said Map of San Mateo County; thence northerly along last mentioned center line to its intersection with the westerly prolongation of the northerly line of Lot 32, Block 4, as shown on said Map of "Garden Valley Land Association"; thence easterly along last mentioned prolongation and said northerly line of Lot 32 and its easterly prolongation thereof to the center line of Third Avenue, as shown on said Map of San Mateo County; thence northerly along last mentioned center line to the center line of East Market Street, as shown on said Map of San Mateo County; thence westerly along last mentioned center line to the intersection thereof with the southerly prolongation of the westerly line of said Second Avenue; thence northerly along last mentioned prolongation and said westerly line of Second Avenue to the northerly line of Lot 53, Block 4, as shown on Map of "Castle Tract," recorded in Book 1 of Maps at Page 7, San Mateo County Records; thence westerly along last mentioned northerly line to the easterly line of First Avenue, as shown on said Map of San Mateo County; thence northerly along last mentioned easterly line to the southerly line of Castle Street, as shown on said Map of San Mateo County; thence easterly along the last mentioned southerly line to the easterly line of said Third Avenue; thence northerly along last mentioned easterly line to the southerly line of Price Street, as shown on said Map of San Mateo County; thence easterly along last mentioned southerly line to the westerly line of Hillside Boulevard, as shown on said Map of San Mateo County; thence southerly along last mentioned westerly line to the southerly line of said Market Street; thence easterly along the easterly prolongation of said southerly line of Market Street to the easterly line of said Hillside Boulevard; thence southerly along last mentioned easterly line to the northeasterly line of Lisbon Street, as shown on said Map of San Mateo County; thence southeasterly along last mentioned northeasterly line to the northwesterly line of Byrne Street, as shown on said Map of San Mateo County; thence northeasterly along last mentioned northwesterly line to the northeasterly line of Abbot Avenue, as shown on said Map of San Mateo County; thence southeasterly along last mentioned northeasterly line to the northwesterly line of Chester Street, as shown on said Map of San Mateo County; thence northeasterly along last mentioned northwesterly line to the southwesterly line of Wyandotte Avenue, as shown on said Map of San Mateo County; thence southeasterly along last mentioned southwesterly line and the southeasterly production thereof to the center line of Hoffman Street, as shown on Map of "Callan Heights," recorded in Book 37 of Maps at Page 2, San Mateo County Records; thence leaving the boundary line of said Incorporated limits of the City of Daly City, southwesterly along the center line of Hoffman Street, as shown on the "Map of the Land of Abbey Homestead Association," recorded in Book 1 of Maps at Page 14, San Mateo County Records, to the southwesterly line of said tract of land as shown on said "Map of Abbey Homestead Association"; thence southeasterly along said line of "Abbey Homestead Association" tract 269.00 feet more or less to the intersection thereof with the center line of "D" Street, as shown on "Map of the Clark Tract Homestead," recorded in Book 1 of Maps at Page 10, San Mateo County Records; thence westerly along said center line of "D" Street and continuing westerly along last mentioned center line as shown on said Map of San Mateo County, to the easterly line of said Junipero Serra Boulevard; thence northerly along last mentioned easterly line to its intersection with the southeasterly line of the Old San Pedro Road produced northeasterly as last mentioned Road is shown on said Map of San Mateo County; thence southwesterly along said production of Old San Pedro Road and continuing southwesterly along said southeasterly line of Old San Pedro Road to the easterly line of the Jack Papazian 13.34 acre tract, as shown on said Map of San Mateo County; thence southerly along the last mentioned easterly line and the southerly prolongation thereof to the northerly boundary line of the Appleton 6.1 acre tract, as shown on said Map of San Mateo County; thence along the northerly and westerly boundary line of said 6.1 acre tract, westerly, southerly, westerly and southerly to the southerly line of Section 12, T3S, R6W; thence westerly along last mentioned section line to the westerly line of the A. Botti 3 acre tract, as shown on said Map of San Mateo County; thence northerly along the westerly line of said 3 acre tract and the northerly prolongation thereof to the northerly line of said Old San Pedro Road; thence in a general northeasterly direction along last mentioned northerly line and its northeasterly prolongation to the intersection thereof with the center line of said Edgemar Road; thence in a general westerly direction along said center line of Edgemar Road to said easterly line of Section 11, T3S, R6W; thence northerly along last mentioned section line to the point of beginning.

CITATION

No. 6010

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO

IN THE MATTER
—of—
ROBERT FRANCIS DORINSON, A Minor Who Should Be Declared Free from the Custody and Control of His Parent.

TO THE FATHER OF THE ABOVE NAMED PERSON, JOHN ERIC DORINSON, AND TO ANY PERSON CLAIMING TO BE THE FATHER OF ROBERT FRANCIS DORINSON.

You are hereby notified that there has been filed in this Honorable Court a verified petition showing that the above named minor Robert Francis Dorinson is within the County of San Mateo, State of California, and is a person coming within the provision of the Welfare and Institutions Code of the State of California, and praying for an order of said Court determining Robert Francis Dorinson to be an abandoned child within the terms and meaning of Article IV, Section 22 of the Constitution of the State of California, and within the meaning of Section 224 of the Civil Code of the State of California;

NOW, THEREFORE, you are hereby cited and directed to appear before this Honorable Court on January 13, 1954, at 1:30 o'clock P.M., at the courtroom of the Juvenile Department, which is Dept. No. 1, County Court House, Redwood City, County of San Mateo, California, then and there to show cause, if any you have, why an order should not be made by this Court adjudging and determining said Robert Francis Dorinson to be an abandoned child within the terms and meaning of Article IV, Section 22 of the Constitution of the State of California, and within the meaning of Section 224 of the Civil Code of the State of California, and of the Welfare and Institutions Code of the State of California, judicially depriving you of any further right or interest in the custody or control of said child.

BY ORDER of said Court
Dated: Nov. 17, 1953
ATTEST my hand and the Seal of said Court, the day and year last above written.

LOCALS TRAVEL NORTHWARD TODAY FOR REDDING TILT; OROVILLE FOLLOWS

Jefferson high school's varsity and 30s cagers got caught with their inaccuracy showing in practice games during the past week.

After coasting to two straight wins, the varsity got dumped Wednesday by Lincoln of San Francisco, 45 to 42, and then came in for a sound licking Friday night as Lowell high poured on 70 points against their 50.

The 30s followed suit in the two games, losing, 46 to 32, to Lincoln, and getting trounced, 65 to 44, Friday against Lowell. Bill Storch led scoring in the Lincoln game with 16 points.

Three was the charm for last week, however, as the unlimiteds showed polish in clipping Galileo Thursday, 58 to 35, in the preliminary to the ADA Oilers-YMA contest at the Cow Palace.

Use Entire Team

Coach Mike Orlich cleared the bench, using 11 men, after the Indians had built up a sufficient third quarter lead. The Jeffs were slow starting against the Galileans, trailing, 22 to 18, at half-time. Scoring was evenly distributed with Guard Tom Costello high with 11 points, while Center John Madden and Forward Wally Honeywell had ten apiece.

The varsity and 30s both avenged last year's losses to Sonora in Saturday's contests. Forward Don Delbon, with 12 points, paced the Indians to a 49-43 win over the high-touted Sonoran team.

Lagomarsino Shines

The local 30s, with Guard Al Lagomarsino exploding for 18 tallies, squeezed by the Sonorans, 29 to 28. Things looked glum for the 30s at the half's end, with Sonora leading, 15 to 4. Lagomarsino hit three straight field goals in the third quarter to spark the rally that saw the Indians move to an 18-18 tie at the end of the third quarter, and then go on to win.

In this week's practice tilts against Lowell both local teams were up against more than they could handle, as the varsity suffered a 54-38 setback, while the 30s narrowly lost, 35 to 33.

Despite Madden's man-to-man tactics against Lowell's ace Clarence Grider, the towering junior couldn't be stopped as he poured through 29 points.

Delbon led the local attack with 11 markers.

The 30s, with Rich Watso and Lagomarsino each hitting for nine points, were out-distanced in the finish against the Lowell five.

4-3 For Varsity

Jeff's varsity now has a 4-3 record in seven practice games, which is identical to last year's efforts at this time. The 30s now have a 2-4 mark.

Orlich sent his cage pupils through rigorous shooting practice this week to cure their consistent inaccuracy.

Orlich still has no reason to sing the blues, however. Last year at this point of the season the Jefferson cage machine started hitting on all five and went on to rack up one of the best seasons in the school's history.

The local teams put on their long woolens today as they embarked for the northland, where they will meet Redding tonight (Friday) and then move on to Oroville Saturday.

It's back to the rough San Francisco foes next week, as the Indians go against Poly Tuesday and Lincoln Wednesday.

PAUL'S FLOWERS STILL RACE BOWLING LEAGUE

Paul's Flowers took two games from King's Market Tuesday to maintain a healthy lead for first place in the Daly City-Colma Bowling league at Brentwood.

Thur Meat Co. also paired wins with Pearson & Rector the victim, leaving the Meat men in second place with a 25-17 mark. Paul's boast a 27-15 score to date.

Ralph's Cleaners made the only grand slam of the evening, winning a triple from Kennedy Electric. The three victories moved them into a three-way tie for third place with the Daly City Eagles and Pearson & Rector, all with 23-19 records.

Adeline Market copped high team series with 2696, while Jack's Inn rolled 964 for best team game.

Tony Santos of Vince & Fred's game and series with scores of captured both high individual 222 and 592, respectively

The keglers will lay off two weeks during the holidays, and will resume competition January 5.

SARTO MIDGETS STAY IN TIE FOR FIRST

The Sarto Midgets remained in a tie for first place in the Midgets league by pasting St. Pauls, 21 to 3, last Saturday.

Barry Krohn paced the locals hitting activities ,getting four base hits. Joe Millett worked on the mound for the Sarto nine.

The Midgets will play their next game tomorrow (Saturday) at noon at the Excelsior playground.

D. C. Rod Club Plans Steelhead Trip

Plans are under way for the Daly City Rod and Gun Club's annual steelhead fishing trip to Navarro-by-the-sea, which will be held on Sunday, February 21.

Club members will leave San Francisco on Saturday, February 20, at 6:30 p.m. by chartered bus.

The trip will include a night's lodging at the Navarro-by-the-sea hotel, breakfast, lunch, transportation, and a steak dinner after the days fishing.

Members wanting reservations are asked to contact Bill Evans at club meetings or phone JUniper 7-1479.

SARTO PLAYS TO 3-3 TIE WITH POMONA

Darkness and three straight walks combined last Sunday to steal a victory away from Sarto A.C., as the local team was held to a 3-3 tie against undefeated Pomona Tile in a regular AA league contest.

The Sarto gang piled three straight runs in the first inning and didn't allow the Pomona nine to score until the fifth inning.

Then in the ninth inning, with one man out, pitcher Leo Giannichine passed three batters and the Tilers got the necessary pair of runs to tie the game, which was then called on account of darkness.

Giannichine allowed only six hits, but gave up eight walks.

Leading the hitting attack for Sarto was Ben Parodi with two for four.

The Sarto men remained in a tie for third in league standings with a 4-2 mark. They will get another chance at Pomona two weeks from Sunday.

This Sunday they face Les Vogel in a 2 p.m. contest at Marchbanks park.

Larry Blanchard Continues To Pace JC Cagers

Although San Mateo Junior college will be having Christmas vacation for the next two weeks, the college basketball team is scheduled to play several important games in that period.

The tall Mateo squad has gone through three opening games without a loss, and hopes to continue at the expense of such visiting jaysees as El Camino college from Southern California and Hartnell of Salinas.

El Camino plays at San Mateo Dec. 19, and Hartnell will be hosted Dec. 26.

Larry Blanchard, 5' 11" whiz from Jefferson High, and Charlie Bogle, 6'8" star from Burlingame, both all-PAL standouts, are playing winning ball and have helped San Mateo defeat Vallejo college, the San Jose State JV squad, and College of Marin.

Nationwide Perfume Hoax Is Uncovered

A nationwide hoax whereby thousands of early Christmas shoppers already have ben persuaded that they were buying high-priced perfumes at bargain prices was described today by the National Better Business Buerau, in a warning received by the local Bureau.

The first step in the carefully planned scheme is the insertion in a prominent national magazine of a dignified advertisement which will include the statement that the perfume is available "at better store everywhere" at a price approximating $20.00 per ounce or half-ounce. Actually, the Bureau states, the perfume may have little, if any, established retail distribution nationally at this price or any other. The next step is to induce two or three well-known stores in a given community to accept a few bottles of the perfume on consignment, an arrangement whereby the merchant does not have to pay for the product until it is sold.

The stage having been set, an army of fast-talking salesmen, who have purchased the perfume for approximately $1.00 per bottle, descends upon the community. In bars, business offices, factories and even on the sidewalks, they hawk the "nationally advertised $20.00 perfume" at $2.00 to $5.00 per bottle or whatever price the traffic will bear. Display of the magazine advertisement is usually sufficient to convince the intended victim that he is being offered a great bargain. More reluctant purchasers are invited to telephone one of the reputable stores where the product has been planted and determine for themselves that it is on sale at the advertised price. Merchants, who are thereby made unsuspecting participants in the scheme, are bewildered when the many telephone inquirers do not subsequently materialize at the store as eager buyers of the perfume.

The National Better Busines Bureau states that it already has reports from more than a dozen cities where this perfume hoax is being successfully perpetrated.

S.M.J.C. NEWS NOTES

Students in weaving, clothing, and millinery at Coyote Point held open house for the public on Wednesday, December 16, from nine to four in Low Hall. Classes were in action to demonstrate their skills and techniques at the same time that representative items of their work were exhibited. Members of the weaving classes taught by Mrs. Ida Dean and the clothing and millinery classes taught by Mrs. Alice Danielson received the visitors, serving light refresments as part of the hospitality of these classes of San Mateo Junior college.

SMJC will be host to the public in the Baldwin campus library on Friday evening, December 18, from 7 to 10 o'clock, and on Saturday, December 19, from 10 to 5 during the day. At this time students in flower arrangement classes taught by Jack Daniels of the art department, will present their seventh annual Christmas show.

Yuletide arrangements for tables, mantel, door swags, and wreaths will be contemporary in design and materials used. Students from the six classes which will exhibit their work will serve as hostesses to greet the guests and answer questions about the arrangements.

Admission is free and all persons interested in art and the Chrstmas decorations for the home are cordially invited.

Freshmen students of SMJC gathered informally at the President's Home at Coyote Point Sunday, December 13, from three to five in the afternoon when President and Mrs. Elon E. Hildreth held open house in their honor.

Christmas arrangements by Jack Daniels of the College Art department added to the festive note of the occasion. Particularly striking was the tea table decoration, a muted silver branch of manzanita high-lighted with crystal and candles on a pale gray table covering.

During the afternoon Edward Silver, violinist, and Gloria Pellom, accompanist, both first year students at the college, entertained the guests. Sophomore girls presided at the tea table.

Joining Dr. and Mrs. Hildreth in honoring the students were members of the faculty and Mr. and Mrs. U. S. Simonds Jr., Mr. and Mrs. J. Howard Walzer, and Mr. Robert Tarver, of the Board of Trustees of the Colelge.

The SMJC Marching band returned Saturday night from Pasadena where they participated in the pre-game activities at the Junior Rose Bowl Game. Forty band members, their director, Howard A. Kay, Coach Duane Whitehead, a photographer and a reporter from "The San Matean" representing the college and this peninsula area, were tired but happy after a day of extensive activity.

The Schmidt telescope on Mount Palomar uses a lens 48 inches in diameter and a 72-inch mirror.

Local Wine Retailer Wins Second Prize For Merchandising

Jerry Miller of Kings Market today won national recognition for merchandising with a second prize award in a nationwide contest sponsored annually by the wine growers of California.

Awards are presented on the basis of the best, all-around, individual efforts to acquaint the consumer with the pleasures and proper uses of California wines during National Wine Week, last October 10-17.

Mr. Miller competed with wine retailers and restaurant operators throughout the U. S. and was one of nine second-place award winners in the retail division. He will receive merchandise of his own choice worth $150.

Notification of the award came from the Wine Advisory Board and told Mr. Miller:

"Good merchandising such as yours is a real service to your customers. By helping to introduce them to better living with California wines, you have helped them to greater enjoyment of food and leisure."

The contest was judged in New York by a Point of Purchase Advertising Institute committee, headed by Executive Director Norton B. Jackson.

Drunk Drivers To Be Jailed Says CHP Commissioner

"Every drunk driver we find is going right to jail!"

This warning was issued by California Highway Patrol Commissioner B. R. Caldwell at the conclusion of a conference held here with commanders of the Patrol's three geographic zones.

Plans were discussed for the most efefctive deployment of uniformed personnel during the Christmas and New Year's holidays which are barely two weeks away.

"Since Christmas and New Year's both fall on Friday and many parties will start as early as noon Thursday the weekends will be extra long," Caldwell observed.

S. F. TO GET NEW TRAFFIC OFFICERS

San Francisco will soon have 35 new traffic officers although it is not expected they will be ready for duty during the pre-Christmas downtown traffic jams.

The Board of Supervisors has approved employment of the new men but it was reported unlikely the police department could hire and train the new officers and have them on duty before the first of the year.

Meanwhile, funds voted by the Board will be used to pay the present traffic force, which will go on double shifts during the rush period.

The yellowfin tuna, largest in size, is a fish of tropical and subtropic seas.

Elementary Pupils Present Christmas Show To Colma PTA

At the regular meeting of the Colma PTA on December 8 the members were honored by a Christmas program presented by the children of the Jefferson Elementary and the R. S. Thornton schools.

Greetings were extended by Jerrilyn Vickers and introductions were made by Judy Foster. The following program was presented: glee club numbers, "O Come All Ye Faithful" and "Carol of the Shepherds"; fourth, fifth and sixth grades directed by Mrs. Black. "A Christmas Story," kindergarten classes, Mrs. Kinsey and Mrs. Klaisner. "The Toy Maker's Dream," first and second grades, Mrs. Hosmer and Mrs. Ledwith.

Directed by Mr. Snyder, an instrumental trio, Judy Foster, Sandra Leavitt, Joan Cevasco and piano accompanist, Geraldine Franzoia played "Silent Night."

The R. S. Thornton school: Four recitations and rhythm band, Mrs. Colwell's first grade. Poem and song, Mrs. Conway's first grade. Songs "Santa Claus" and "Playing in the Band," Mrs. Mette's second grade. Miss Blaylock's second grade, poems: "Presents" and "Thanking Santa" and a dance by Charlane Hook.

Jefferson Elementary school: Accordian solo, "Christmas Toys," Mrs. Gray's third grade. Mrs. Lemke's sixth grade, a ballet by Darlene Price, Barbara Marsigli and Ronnae Amundsen. "A Christmas Variety" by Miss Dietterle's third grade. A song, "Here Comes Santa Claus," Mrs. Alling's third grade. Sandra Leavitt, an instrumental solo, "Hark the Herald Angels Sing," accompanist, Gerald Franzoia.

Mr. Hatch's fifth grade, tap dance by Rosemary Daniele and ballet dance by Wardell Angilley and Charlene Del Sarto.

The glee club concluded the program with "Silent Night" and "Joy to the World."

Mrs. Vickers, president, expressed thanks of the Colma PTA to the children and teachers for the program. To the parents, she wishes that the accommodations had been more adequate and hopes that this situation can be remedied in the future.

Beautifully decorated trees have have been donated by the PTA to the children of the Jefferson Elementary and R. S. Thornton schools. The room representatives are busily planning for the annual Christmas parties for both schools.

The San Francisco Public Library, designated by the federal government as a depository for public documents, receives free all publications of the United States government.

Village Notes

By Mrs. Edith Warmoth (PL 5-8026)

Hello once again our writeup of news is as follows:

Sweetwood

Mary Meany celebrated a fourth birthday on December 13 by having a group of her friends join her in a party.

Foothill

On December 7 Janet Cunniberti was four years old. At a party given in honor of the occasion the following of her little friends were present: Linda Christman, Judy and Gail Land, Susie Irby, Raymond Pettit, Mark Fitzpatrick.

Village Lane

Mrs. R. E. Damon was hostess at a Christmas Party given for the members of her Sewing Club. The following ladies were on hand to join in on the fun: Mrs. Elvira Maionchi, Mrs. Hope Juhl, Mrs. Nell Sturiza, Mrs. Greta Froggatt, Mrs. Esther Agnew and Mrs. Ann Morris.

Larchmont

It was a ninth birthday for Alma Lee Howard on December 12. To celebrate this event a party was held for her and the following attended: Kenny Good from Petaluma, Robin Kearny, Pat Simona, Jo Ann Lietner, Gary Heinkel, Terry Kalter and Jennifer Ford.

Mr. and Mrs. Marvin Howard had as houseguests last week Mrs. Howard's sister and family the R. J. Good's of Petaluma.

Midway

Happy Birthdays were extended to Terry Travinsky who was four lears old December 11. Those who attended were the following: Karen and Marilyn Mattson, Tommy Crofton, Larry and Linda Schmidt, Brad and Karen Freelander, Sandy and Doug Dion, Carla Larsen, Billy Abbott and Dennis and Brian Mattson and Cindy Travinsky.

Stewart

Mr. and Mrs. Warren A. Brown became the parents of a girl November 19. The little lady will be named Margaret Celeste, Maggie for short and she tipped the scales at 6 pounds 3 ounces.

It was a girl for the Robert Northrop's. She arrived November 27 just one minute before midnight and weighed in at 8 pounds 3 ounces. She will be called Barbara Ann and has a five year old brother Jimmy and a 21 month old brother Michael.

Mrs. George Nevin of Louisville, Kentucky, is visiting her daughter and family Mr. and Mrs. Robert Skillman.

87th

Mr. and Mrs. Earl F. Lawrence welcomed a baby boy November 16. He will be called Gary Warren.

Mark and Dorothy Swoverland celebrated a 12th wedding anniversary December 14.

Scouts

Cub Scout Pack 84 held their meeting and Christmas Party Thursday evening December 17th at the Broadmoor Presbyterian Church.

Church

The Hannah Circle of the Womens Association of Broadmoor Community Presbyterian Church held its last social gathering for this year Tuesday night December 15 at the home of Mrs. James Fairbanks. A Cookie Exchange was participated in by 17 members. Afterwards everyone joined in singing Christmas Carols.

That is it for this week. See you next time.

Welcome To Daly City!

OLPH Parents To Establish Cub Pack

The third meeting of the parents from Our Lady of Perpetual Help Church, who are organizing a Cub Pack for their sons, was held in the school cafeteria last night.

About 30 Daly City boys, 8, 9 and 10 years old, are represented in the group. Those assisting with the instruction of parents are Father Norman Allen, assistant pastor; Mrs. Michael V. Cubic; Lake Merced District Executive Maurice Powers; Raymond R. Griggs of Westlake and Mart P. Bushnell of the San Francisco Council staff.

It is planned that the new Cub Pack is to be known as Pack 243 of the San Franicsco Council and will consist of six or seven Dens. Officers of the Pack will be chosen at this Thursday's meeting.

Daly City has four other Cub Packs, two of them being in Westlake. Besides the Cubs Packs, it has two Boy Scout Troops, with a third in process of organization

Daly City officers of the Lake Merced District include Vice Chairman George H. Paldi and Fred N. Kruse . Activities' Chairman for the District is Albert Rosenberg, also of Daly City.

Bazaar Held By Crocker PTA Reported Successful

The recent bazaar conducted by the Crocker PTA was acclaimed a success by the officers.

According to the PTA, a net profit of $305 was realized from the function.

Mrs. John Eckert, president, extended her thanks to Mrs. Doris Klemz and Mrs. Grace Lund for their "extensive efforts." She also expressed appreciation to those who contributed their time, energy and donations to the bazaar.

Snow-Davidson Rites Held In San Francisco

Miss Jacqueline Snow of San Bruno became the bride of Daly City's Tom Davidson in ceremonies held recently in the Ocean View Presbyterian church in San Francisco.

The bride wore a ballerina-length gown of egg-shell faille, with winter-brown accessories and carried a corsage of lily of the valley and orchids.

Matron of honor was Mrs. David May, while Earl O'Shay attended the groom.

A reception folowed the ceremony at the home of the bride's parents, Mr. and Mrs. Earl Snow, of Elm street in San Bruno.

The couple will honeymoon for three months at Bartlett Mountain in Lake County, where they plan to get in some bear hunting.

The groom, son of Mr. and Mrs. E. E. Davidson of Hanover street, attended local elementary schools and was graduated from Jefferson Union High school.

He recently returned from combat duty in Korea, after receiving the Purple Heart for injuries suffered there.

On completion of their honeymoon, the couple plan to reside in this area. Davidson will resume his position with a San Francisco roofing company.

DC COUPLE WED AT LUTHERAN CHURCH

SHOWN ABOVE are Beverly Heagney and Howard Heffron, married in rites held recently at Bethel Lutheran church. The Rev. Herbert Schroeder performed the nuptials.

Past, Future Activities At Bayshore PTA

At the regular monthly meeting of the Bayshore PTA held December 9 at the school auditorium the Rev. William Widenham of the Bayshore Baptist church was the guest speaker.

Mrs. Isabel Arellano, school nurse, gave an interesting talk on the health of our children during school hours and in the home.

The choral group, under the direction of Mrs. Charlaine Seivert, sang Christmas carols.

Refreshments were served by the hospitality chairman and committee.

Open house was held at the Bayshore school yesterday (Thursday).

An interesting musical program under the direction of Mrs. C. Seivert was given in the auditorium.

Bayshore school children will enjoy the annual Christmas party to be given today (Friday). A movie will be shown and each student will receive a gift from the Bayshore PTA.

Seventeenth District CCPT held a full day session December 7 at the Bayshore school.

Miss Natalie Lipman, Bayshore school superintendent, gave the welcoming address. The choral group, under the direction of Mrs. Seivert, sang Christmas carols.

A film entitled, "New Vision for TV," was shown. Mr. James C. Day from station KQED was the morning speaker.

During the afternoon two other speakers, Mr. Warren Natwick, assistant county superintendent of schools, and Mr. Arnim Weems, was presented.

The Bayshore PTA acted as hostess and sold coffee and cake.

New Arrivals

COWAN — December 6, to Mr. and Mrs. Richard Cowan, 64 Belmont drive, a son.

St. Vincent De Paul Society Starts Drive For Children's Xmas

Peter Markovich, chairman of the St. Vincent De Paul society, announced this week that that organization will again conduct a drive to gain funds for the needy children at Christmas.

Markovich explained that "with the advent of the Christmas season the anxiety of impoverished mothers and fathers for their children's happiness increases. They pray for a small miracle—a real Christmas for the little ones."

A total of 120 needy children are on the rolls of the society, he said, and added that the organization hoped to secure sufficient funds to make a merry Christmas for all of them.

Funds are used to purchase gifts and food for the needy.

Contributions may be sent to Markovich's office, 6454 Mission street.

Dance Studios Present Annual Christmas Show At Center Wednesday

Mason-Kahn Dance Studios will present their annual Christmas show at the community center in Daly City on Wednesday night at 7:30 p.m.

More than 100 youngsters of all ages, dancing in many bright costumes, will participate in the event. Featured groups will be the ballet dancers. Admission is free.

Mason-Kahn Dance Studios, located at 6276 Mission street, is owned by Stanley Kahn, dance director for the world-famed Ice Follies, which plays each summer at Winterland.

SLOW DRIVERS

Extremely slow drivers should keep as far over to the right as possible, advises the National Automobile Club.

Seventh Graders At Colma School Win PTA Membership

The membership drive of the Hillside PTA unit of the Colma school was won by the seventh grade students of Mr. Turgis and Sobel's room. This was the morning class and the afternoon class that won was Mrs. Harkness' seventh graders. Miss Brenner's seventh grade class came so close to winning that they were given a record donated by Mrs. Fred Bertetta, the membership chairman.

The board held their Christmas party at the home of Mrs. Fred Bertetta, 10 Wilshire Court, Monday evening. There was an exchange of gifts with Santa Claus present, to add to the festivities.

The unit is making plans to hold a salvage drive sometime in the near future. Mrs. Thomas Mullen is the chairman of the drive. Parents are urged to start putting their rags aside for the occasion. With the increase of student body at the Colma school this spring, the unit needs to profit from the money making projects.

FATHER LYONS ADDRESSES PTA

Father James L. Lyons, S.J., of the University of San Francisco, addressed the Crocker PTA's regular meeting held last week.

His topic was "Music In Our Souls."

Following his talk, described as "impressive" by the PTA, Father Lyons toured the Crocker school and voiced his amazement at the quantity and quality of the Christmas scenes and decorations which were prepared by the students.

Father Lyons talk was preceeded by the Glee club, under the direction of Mrs. Muriel Vint. They sang several Christmas carols.

Richard Snyder introduced several members of the orchestra who played carols.

Following the entertainment a short business meeting was held. The first reading of the revised bylaws was read by Mrs. Ann Eason, parliamentarian.

Mrs. Eckert reported on the district meeting of December. James Day, one of the speakers, reported on the progress of Channel 9, the education channel.

This station will be devoted strictly to education and will be non-commercial. Operating expenses are to be met by annual memberships of $10 each per individual, or $100 for each organization.

The mothers of Mrs. Vicain's class furnished the evening's refreshments.

The next regular business meeting will be held January 12.

101 PARKVIEW SCOUTS SING CAROLS TUESDAY

Girl Scouts and Brownies from the Scout house at 101 Parkview will carol Daly City residents Tuesday night from 7 to 9 p.m.

Approximately 100 girls are expected to make the rounds of Daly City singing the Christmas carols.

Each troop leader will accompany her group for the singing.

TROOP 84 SCOUTS PARTY TONIGHT

The annual Scouts and dads' dinner for Troop 84 was held Friday at the Broadmoor Community Presbyterian church with the Christmas theme prevailing.

Last minute plans are now being made for a Scout Christmas party to be held tonight (Friday) at the Broadmoor community center. There will be a Christmas tree and gifts will be exchanged among the boys. Games and stunts have been planned for the evening and refreshments, including popcorn, sandwiches, cookies and cocoa, will be served.

Kenneth Hansen, scout master of the troop, was a guest at a recent meeting of the Scout Mothers Auxiliary and reported that the Christmas wreaths being sold by the Scouts were "going fast," and the boys were showing much enthusiasm for the project.

The wreaths are being sold in the vicinity of Broadmoor, Westlake, Colma, Sterling Park and Winston Manor. They sell for $1 and 75 cents.

Those attending the Auxiliary meeting were: Mesdames Jerry Brouhard, Joan Tomlinson, LeRoy Krueger, Jack Cowden, Bill Brown, John Fies, William Spry, Edmond Cyr, Chester Mattison, Frank Garretson and William Chessman.

Mrs. Tomlinson was co-hostess with Mrs. Robert Roach for the meeting.

The next gathering of the Auxiliary will be held at the home of Mrs. Spry, 536 87th street, on January 12. All mothers of Troop 84 Scouts are urged to attend.

Local Sportswomen Hold Xmas Party

The Daly City Sportswomen held their Christmas party recently at the home of Vivian Crispi.

A pot luck dinner was enjoyed by those present, followed by the exchange of gifts.

A short business meeting was held with the new officers in charge. A report on District Council No. 7 was given by Mrs. Crispi. She was a delegate to the Council meeting held recently in Stockton.

Francis Nenstiel presented a year book to the past president Lee O'Neill. Mrs. Nenstiel was appointed to make a year book for the coming year and Naomi Stone was named publicity chairman.

The evening was closed with a game of bingo.

Exceptional specimens of Norway spruce often attain a height of 150 feet though generally are only 50 to 60 feet tall.

Mothers' Club Fete Held "Best Of All"

The main topic of the Mothers' club meeting last week was the success of the bazaar which was held recently. Mrs. Louis Thiebaut, general chairman of the bazaar, the chairmen of the various booths and their committees thanked everyone for their donations of gifts, and also for their patronization of the bazaar in general . It was really the "greatest bazaar of all, according to the club.

The idea of serving a turkey dinner was originated by Mrs. James Traynor and Mrs. Mario Sciortino who were co-chairmen of the dinner and delicatessen booth.

One of the most beautiful features of the bazaar was the stage decorations which were personally designed and decorated by Louis Thiebaut, husband of the club president, who also sat in for Santa Claus.

Holy Angels Hi School Club Slates New Year's Dance On Wednesday

A "New Year's Dance" on Wednesday, December 30, will be given by the Holy Angels Hi-School club. Admission price to the dance is 50 cents a person.

The dance committee consists of: Lee Storm, chairman of the dance; Gloria DeMattei, decoration committee; Diana Donati, refreshment; Arline Storm, publicity; and John Murphy, clean-up committee.

The club is also having a roller skating party this month. This will be for the members only, on December 21, at the Rolladium in San Mateo.

CROCKER PTA BOARD SETS BOOK REBUILDING AS MONTH'S PROJECT

The executive board of the Crocker PTA has set the task of rebinding and repairing the books in the Crocker school library as the PTA's project for January.

Mrs. George Derbam, Mrs. Bernice Hackaday, Mrs. John Eckert, Mrs. Ann Eason, Mrs. Doris Klemz, Mrs. Jack White, Mrs. Anne Ingersoll and Mrs. Dolores Sooman form the committee for this project.

The following committee chairmen were ratified at the executive board meeting: Mrs. Betty Price, character education; Mrs. Kenneth Ryan, health and welfare; Mrs. Ilda Blackburn, Founders day; Mrs. Marie Rentsch, hospitality; and Mrs. Grace Lunn, historian.

California had a total of 6235 farms containing 1000 acres or more, according to the April 1950 Census of Agriculture.

STILL TIME TO GET COLOR WITH FALL BULBS

There's still time to get in on next year's big garden color show! For while it's getting late in the season, you can still successfully plant Fall bulbs.— And Fall bulb planting is really the initial step in inaugurating a year-long parade of color that begins next Spring.

Bulbs are are only part of the show, of course, blooming from March until late May. But by interspacing later blooming annuals and perennials with bulbs, the blooming season can remain unbroken in your garden from March until December. In fact many veteran gardeners lay out ground now and make overall planting arrangements for next year before setting out Fall bulbs.

Sketch Lay-Out

One excellent way to do this is to sketch a "lay-out" on a piece of paper or cardboard. This makes it easier to achieve a pleasing arrangement and helps to eliminate trial and error digging when you want to plant between bulbs, during the flowering year.

Gardeners who have secured magnificent results in past years say that these tips are helpful: (1) Choose large Number One grade nursery bulbs which produce more abundantly year after year and survive more hardily over the years; (2) Incorporate generous amounts of fertilizer—bone meal or pulverized steer manure—into the planting area at time of planting and in some cases, again after the bulbs have sprouted, (3) Maintain a rich, loosely worked well-drained soil.

The results will likely be that everything will grow healthier and hardier!

Prolong Season

The bulbous blooming season can be prolonged by selecting bulbs with successive blooming schedules. These can be laid out in rows or groups in a sunny bed or border in such a manner that later blooming bulbs will cover the passing of earlier ones.

In many parts of California the Spring garden season begins in early or late February—depending on the exact area—with the sweetly scented Hyacinth and Freesia being the first to arrive, closely followed by the dainty striped crocus. These bulbous flowers bloom several weeks in advance of tall tulips and hardy daffodils, reaching their prime when the latter burst into bloom in late March. Spaced between tulips and daffodils, hyacinths and freesias will thus pass unnoticed.

The new, hardy ranunculus is another Spring favorite. Improved in recent years by California breeders, it is a good plant for borders—often being interspaced with tulips for a continuation of blooms. Ranunculus' colorful displays of red, yellow, purple, rose and white are particularly fine in smaller gardens, where space is valuable. And they mix well with summer annuals which replace them in late June.

Set With Bulbs

Among those flowers which can be attractively integrated with bulbous plants are blue or white forget-me-nots, coral bells and primulas. Foxglove, German and Siberian Iris or Dutch Iris can also be set out with bulbs now, to bloom in May and June, providing you have room. If you do not have a great deal of room, you may prefer to set out white, lavender, maroon or blue asters instead. As a young plant, they are small and take up little space. Then too, they are a bushy plant and will help obscure the passing of earlier bulbs, when they bloom during the latter part of June. The summer blooming columbines in dainty white, orange and yellow also provide a very attractive transition plant. And for autumn color—don't forget to set out small chrysanthemums in May. They will be truly beautiful in October and November.

Before actually doing any planting, however, get your nurseryman to advise you on conditions in your area. He can best help you in selecting bulbs and plants and will most likely have catalogs and color charts for your convenience, along with charts that indicate ideal spacing and planting depths.

You'll find the choice is tremendous now, the color possibilities for next Spring, enormous!

KNOWING NOISES HELPS

The noises that a car makes are excellent clues to the maladies by which it may be affected, points out the National Automobile Club. As many of today's automobile instruction books indicate, there are impressive differences between knocks, squeaks, squeals, rattles, whistles, thumps, and so on.

PLANTS HAD MANY USES

In the early days of the southwest, according to the National Automobile Club, plants provided not only food for native New Mexicans, but medicines, dyes, brushes, fiber rope, and the material for basketry.

SLOW DOWN

Slow down after the sun goes down, advises the National Automobile Club.

The dried leaf of a perennial herb of the mint family is used as a seasoning called oregano.

Food Sense—Not Nonsense

Winds Blew Free—But Sailors Had No 'C'

Of those who sailed the high seas of old, it rarely could be said, "they never had it so good." Food supplies on voyages were limited and outbreaks of scurvy were common. Scurvy is now known to be caused by lack of vitamin C.

It was by chance that sailors discovered that citrus fruits could prevent scurvy. Science revealed that the anti-scurvy—antiscorbutic—properties were due to the acid—vitamin C—now known as ascorbic acid.

Although scurvy is rare in this country today, a lack of adequate amounts of ascorbic acid in the diet can be recognized. A shortage will result in weakened walls of the capillaries—those tiny blood vessels which form an amazing network in the body. Those who have mild shortages may bruise easily. Lack of energy, muddy complexions and slow healing of wounds are other indications of a deficiency. Scurvy in children is frequently diagnosed as infantile rheumatism. If a deficiency of vitamin C is not too advanced, it may be corrected by adequate amounts of the vitamin in the diet.

Because the body is limited in its ability to store vitamin C, this nutrient must be obtained daily. The easiest way to meet the daily C requirement is through a generous serving of citrus fruit at breakfast. In fact, a well planned breakfast will not only furnish vitamin C but will furnish significant portions of the other nutrients we require. Enriched or whole grain cereal or toast, an egg or serving of breakfast meat and a glass of milk supply the breakfast's share of proteins, B vitamins and minerals.

Daily use of canned or fresh tomatoes, or tomato juice is also a simple way to get one's vitamin C. Often overlooked as sources of this nutrient are potatoes, cabbage and green vegetables, especially if uncooked.

Although vitamin C is more readily destroyed by heat or exposure to air than other vitamins, it is not always lost in cooking; most of the original "C" is retained in a baked potato. Acid fruits, prepared and refrigerated overnight lose little of this vitamin by breakfast time.

SPOTLIGHT ON BEAUTY

IF HOLIDAY DANCES ARE ON YOUR WINTER CALENDAR, your beauty is definitely going to be in the spotlight. For date-time glamour that looks lovely throughout the evening's festivities, a perfect powdering job makes a good start.

First step in this recommended beauty routine is to coat a fresh cotton ball with as much powder as it will hold. Using cotton balls made of fine white surgical-quality cotton is complexion-insurance. Next, press the cotton ball firmly onto the skin without "scrubbing," stretching or pulling. Do this, using as many ballfulls of powder as it takes to coat the face and throat entirely. Now allow the powder to set. Then use another fresh cotton ball to smooth the excess away, leaving the complexion perfectly and lightly veiled in beauty. If a touch of color is needed in cheeks, dry rouge may be feathered on, too, with the edges blended in skillfully with a cotton ball.

Taking an extra few minutes in applying, and using a span-clean cotton ball adds up to the perfect powdering job that lingers longer and looks better. Perfect powdering pays dividends when beauty's in the spotlight.

Past perfect is no condition for a party face, so to keep it pretty may require re-doing during the evening. Better to renew than repair, because powder put on over powder is apt to change color, make your face look muddy or sallow, or just "tired." A tiny purse flacon of astringent and some cotton balls may be carried for just such use. Use the cotton ball to wipe away old make-up traces, provide the fresh surface for a new face. Then, on with the flattering veil of powder and back to the dance. **(ANS Features)**

...But Grandma!

They were "Good Old Days" to Grandmother, but it's a miracle she lived to such a ripe old age! Cold drafts, a redhot stove and boiling kettles in her old kitchen caused many backaches and blistered fingers. Scorched pots and stacks of dishes meant extra "hours of fun" in the dishpan.

In contrast, her modern granddaughter uses electrical "servants" to do tedious household chores. She pushes a button or turns a dial to cool or heat the house, cook a meal, wash the laundry and grind the garbage. Included in her all-electric kitchen is a dishwashing machine, pioneered by Hotpoint in Grandmother's day, which automatically washes, rinses and dries dishes, glasses, silver, pots and pans.

SHOPPING BLOCK

News of Your Local Businesses and Business Men
By JANE KEITH
PLaza 5-6481

Best sellers at DUBIN'S STORE FOR MEN & BOYS are "tub washable" gabardine sport shirts by Artvogue . . . ($4.95) . . . and "Heathertone" argyle socks ($1.00) or "Two-tone" argyles, same price, mostly solid color with white.

DUBIN'S is open every night 'til nine—'til Christmas. Sunday—10 a.m. to 3 p.m. Address is 6274 Mission street—and they give Thrifty Shopper Stamps!

WARSHAWSKI'S DRY GOODS, at 6340 Mission street, is a gift gold mine—especially for those hard to please "over 70 years old" people on your list! WARSHAWSKI'S has a marvelous stock of sweaters, underwear, stockings, etc. . . . especially geared to meet the needs of this age group and all are of the finest quality! Along with this unique (for Daly City) merchandise, WARSHAWSKI'S carries items for the whole family. Thrifty Shopper Stamps here, too!

HILLTOP MARKET meat department special to rave about this week: Mike Bertolucci's "own cure" boneless brisket of corned beef for just 29c per pound! It's lean and GOOD—and what a before-Christmas saver!

Well, we had two boners in last week's column and would hereby like to tender our apologies! First was a statement that BARDELLINI'S GIFT SHOP, in Westlake, would be closed on Saturdays for the duration of the Christmas season. (Of course, we know no one would fall for THAT statement about a business during the Christmas season, but we said it—so!) NEXT: due to a misprint—Coachella dates at KEITHLEY'S MARKET—boxed for mailing—were stated to be selling for $1.85 per five pounds. . . . NOT SO—the honest price, still on, by the way, is a mere $1.25 per five pounds.

GLEASON'S DRESS SHOP customers who have been wondering about HELEN SHEEHY and her whereabouts may now condole with her in person—Seems Helen was hospitalized for several days for minor surgery which narrowly escaped being MAJOR! She's O.K. now, however, and back on the job selling such wonderful items as those corduroy robes—coachman or duster styles—with a "mail in" monogram deal. Long robe is $16.95, duster is $13.95—BEAUTIFUL!

Purtiest—and biggest—Christmas tree in Daly City's business world is the one in the DALY CITY PET SHOP—where owner Laura Coleman has gifts galores for your pets! You'll find gifts here for from 10c and up—and all "gifty," too! Address is 6277 Mission street.

Any time is Ravioli Time—IF the ravioli come from LUCCA'S MARKET and have the name Pasquale on the box! Retail sales of these meat filled, quality ravioli (none are sold wholesale) amounted to over 20,000 boxes for this year—and still selling, but really! Box of 54 costs you only 55c—and LUCCA'S special sauce, which will keep for 2 weeks in the refrigerator or frozen, indefinitely, is 25c for ½ Pint, 45c per Pint, 85c per Quart, and $3.00 per gallon.

Remember, the only place you may purchase these wonderful taste treats is the LUCCA MARKET at 7370 Mission street, Colma—a "one stop" market to suit your every shopping need!

Best comeback of the week (and one we know is honest) came from Mr. Zugar—owner of ZUGAR'S CLEANING & TAILORING—when we asked how many fittings he needed to finish a man's suit.

"Fittings?" he queried, "What do you mean 'fittings'? I just measure right the FIRST time!"

ZUGAR'S is located at 8 Wellington avenue (across from the City Hall)—Call PLaza 5-6155! You'll find, after checking his materials, patterns and prices—that a hand tailored garment is well within your budget! For your own, personal check on Mr. Zugar's ability to satisfy his customers—we give you the names of two local businessmen as vouchers: Mr. John McGraw of McGRAW'S DRUG STORE and Mr. Leon Bagrash, owner of LEE'S PHARMACY.

Ralph Torigian, well known for his fine cleaning establishment at 71 Templeton avenue, deserves extra mention for his sponsorship of local softball, bowling, basketball and baseball teams—because that word "sponsor" means that Ralph foots the bills for entry fees, buys uniforms, and cleans them, for nothing but satisfaction!

RALPH'S CLEANERS is now in the middle of a complete remodelling job to make the premises as modern as the cleaning equipment used out back. (Such as a still for cleaning the cleaning fluid, etc.). Call JUniper 4-7258 for free pick up and delivery on cleaning or laundry. Ralph Torigian and his staff will guarantee a "just right" job!

Due to the tremendous success of the recent double Thrifty Shopper Stamp days, LEE'S PHARMACY, 6389 Mission street, is going to make the same offer again, so local Christmas shoppers can stock up on those many gifts like cosmetics, perfumes, etc., at a large savings.

With all purchases you make this Friday and Saturday, you will get double Thrifty Shopper Stamps.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello, Neighbors:

Amidst the hustle and bustle of Christmas shopping, which is almost finished, the news has been pouring in this week. There are many new names and much doing. The trees are beginning to shine from all the windows, and before long Christmas will be with us. One week from today Santa will be here, so here is the news up to now.

Full House

Having a houseful of company for the holidays will be MR. and MRS. E. F. EMERSON. Their company will be coming from Los Angeles on Dec. 20 and staying until they see the New Year in. It will be the first time that some of these people have been together for many years.

HILLCREST CIRCLE No. 143, U.A.O.D., held their regular meeting, plus a gala Christmas party for members and their children, last Monday night at the Masonic hall. There was entertainment, refreshments, and of course Santa Claus. In charge of the affair were MRS. DOLLY BRUSH, chairman, assisted by MRS. MARIE MARKGRAF and MRS. EVELYN HUTCHINGS. The social hall and tables were beautifully decorated in a Christmas motif, and there were presents for all.

There was more cause for celebration in the ARNAUDO family a week ago. Little LARRY ARNAUDO reached the advanced age of two years and of course had the usual party with ice cream and birthday cake.

Bowling Team

The EAGLE'S bowling team, of which many are justly proud, has advanced in the league standings to where it is really a threat to all contenders for the crown. This is due to the efforts of MESDAMES DONNA ALMQUIST, NELLIE KALINEN, ALBERTA DIEBEL and BRITA MORRIS.

MRS. AGNES MALZ of the Eagle's Bowling team, has been quite ill for the past few weeks. She is now recuperating nicely and should be up and about soon. The team hopes to see her back in action with them soon.

The GOURMETS, a bunch of gals who have been keeping us all guessing for some time, will be having their annual Christmas get together soon. At this time they have promised to reveal themselves to all. I'm very sure now that I recognize the voice of the lady who calls me. Time will tell.

I met another of the neighbors who it is always a pleasure to see and talk with last week. She is MRS. LEONA LOMBARDI of the Mode O'Day Dress Shop, and also a member of many of the social organizations of our town. She has been proprietor of the shop at the "top of the hill" for over four years and in that time has not only made many new customers but a host of friends as well.

Every time I hear from those Wandering Harlans (FOOFIE & BUD) they say they are going to stay where they are for awhile. I few days later I hear that they have wandered again. At the present time they are in Rocking Horse Ranch, Arizona. Of course I fully expect by the time this is read that they will have moved again.

Anniversary

An anniversary was celebrated in our town last week. MRS. JACQUELINE CONSTANTIN spent it in the way that most young folks are spending it nowadays. She sat down and wrote a long letter to husband PVT. GEORGE who is overseas in Korea. There are more happy years coming, Jackie, so here's wishing you much happiness in them from all the neighbors.

This being the season of Christmas parties, the DRUIDS held their's for the boys of Letterman hospital last week. Many of the members have been working for this event for many months. They made 35 individual bags and filled them with all the things that the boys could have and then under the direction of MRS. LYNN BOSKEY they all loaded the cars and took themselves off for the day to do their best to give the fellows a good time. There was entertainment, ice cream, homemade cookies and cake for all. The boys really had a good time and so did the gals that gave it to them.

From Greenland

From Greenland's icy mountains appropriately enough came my first Christmas card of the year. It said "hello" to all from A/2C ANDY ANDERSON of the U. S. Air Force. Last year Andy was one of the boys who spent their Christmas in our town and he has never forgotten the friends he made here. It is very cold where Andy is and being a part of an Air Rescue Squadron seems to be no fun at all. One never knows just when he will be rousted out of bed or what he will have to do.

Home from overseas duty in Japan and Korea in time for Christmas is A/3C CLYDE BARNES of Los Olivos avenue. Clyde has seen a lot of duty with the Air Force including a tour of duty at Amarillo Air Force Base.

PVT. RICHARD GURT was heard from this week. He is in Korea, as are so many at the present time. He is with the 77th Trk. Co., and has seen service in Japan as well as Korea. Dick is one of the many who will not be home for Christmas. A Merry Christmas to you, Dick, from all of us.

CPL. FRANK WLADORZ, of Letterman hospital, and one of the many boys who have been entertained by the ladies of our town, is now back home in Chicago. He writes, "At this time I would like to wish all a Merry Christmas and thank them for the many days of cheering up which I needed so much. I will never forget the many kindnesses I received from all the ladies who visited us each month." It really is nice to get these letters and keep track of the boys as once you know them they seem just like your own.

Some Excitement

PFC. GEORGE CONSTANTIN had some excitement in his life that he didn't expect last week. He happens to be stationed in Pusan and was there at the time of the big fire. George hasn't seen Santa in Korea but if he did all he wants for Christmas is—SPANISH PEANUTS. Seems he can get all he wants of the other kind but not the ones he really likes. Anyone knowing where to get them should get in touch with MRS. CLARA POKET.

SGT. HAROLD MOSMAN of Daly City, Korea, and now Camp Pendleton, will be one of the boys who will be home for Christmas this year. This will be the first time in several years that Harold will be home for the holidays, and a most Merry Christmas is wished him from all of his friends and neighbors.

A/B EDWARD E. HARPER of Lackland Air Force Base is now "A/3C." He has finished basic training and will be assigned to his now duty at a new base in Texas as a typist in the Hq. Btn. Eddie will spend his holidays away from home and in the snow for the first time. He writes and says to say "hello" to all the fellows he knows who are home and that he hopes to see them all sometime in February of next year.

Christmas Party

OLD GLORY POST and AUXILIARY, No. 2044, held their Christmas party for the boys in Ward eleven in Palo Alto Veteran's hospital last week. This is a special ward and they are special boys who are very dear to the hearts of the ladies who have do so much, not only at Christmas time but throughout the year to bring a little cheer into their lives. The boys want to take this way of thanking Mesdames Clara Poket, Bonnie Ellenwood, Mary Conti, Edith Correll, Catherine McKeown, Josie Valenti, Elizabeth Sorenson, Marie Gehrig and Leona Lombardi.

All the neighbors in the Los Banos area are glad to see MRS. McCUNE up and around again. It is good to welcome back the smiling face of one of the nicest neighbors that we could have.

MRS. MARY HENSELEY, the former Mary Simmons, is doing her very best to beat Santa Claus. All she want for Christmas is for her baby to get here before the old gentleman. At present she is in the hospital but all she is doing is waiting—waiting and more waiting. Hope there is more news by next week.

Business Trip

Returning from a three week's business trip to Minneapolis, Minnesota, last week was MR. AL BRUSH of General Mills, Inc. According to Al you can keep all the nice snow and the great plains, he will take good old Daly City where he has resided all his life. Al is the well known cartoonist for General Mills and many of his pictures have been kept for years. He is noted most, though, for his hobby of fishing in any and all kinds of weather. Welcome home, Al.

The Men's Club, Inc., of Our Lady of Perpetual Help parish will hold their second dance tomorrow night in the parish hall. Remember, the music will be good, the refreshments will be there and baby sitters will be furnished for all school-aged children. The men have worked hard to make this dance a success.

Things are really getting interesting and from now on will be more so. Boys in the service will be home, the families will gather and of course the children just can't wait. One more week and then the culmination of all the week's planning and work will break loose in a mess of torn wrappings and ribbon. Until the next edition which comes out on Christmas Eve—'Bye Now.

COOPERATE

Always cooperate with the traffic pattern, advises the National Automobile Club.

INDIANS IN SANTE FE

Indians occupied Santa Fe in New Mexico from 1680 to 1672, according to the National Automobile Club. They elected their own governor, turned the Spanish chapel into a Kiva, and worshipped their gods in their own way.

Christmas Leather Forecast

SANTA CRUZ, CALIF.—It looks like a leather Christmas what with husband-and-wife-matched ensembles of personal leather goods this year's fashion note on gift counters everywhere. Pop and Mom can't go wrong when they exchange gifts of the same golden saddle leather that each admires. Such leading manufacturers as Wheary, Buxton, Prince Gardner, Rumpp, Rexbilt, Platt, Ace, Amity and Ganson are among those meeting this new fashion trend toward "his" and "hers" look-alike billfolds, wallets, luggage, pocket secretaries, brief cases, toilet kits, handbags, glass and comb and necktie cases in matched, natural-color California Saddle Leather. So great is the interest in this leather, it has the quaint old A. K. Salz tannery in this city busier than ever in its 100 years' history.

HINTS FOR HOMEMAKERS

LEARN RIGHT WAY TO TREAT STAINS BEFORE LAUNDERING HOLIDAY LINENS

by the
General Electric Consumers Institute

Let's face it. Your best linens take a beating during the festive holiday season, when the entire family is home and guests arrive to share the most exciting days of the year.

When the feast is over, the homemaker faces the problem of how to remove spots and stains from the prized linens she brought out for the occasion.

It's best to treat all linen stains individually before washing rather than to bleach the entire cloth, says the General Electric Consumers Institute.

Here's a list of instructions for removing stains common at holiday time from washable linens. (A word of caution: because cleaning fluids tend to be toxic, be sure you are in a well-ventilated room when using them.)

Candlewax—Scrape off as much as possible. Remove the grease with carbon tetrachloride. If color stain persists, use mild chlorine or sodium perborate bleach. Wash.

Ice cream—Sponge with cold water. If grease spot remains, sponge with cleaning fluid.

Milk and cream—First soak in lukewarm water, then wash in hot soapy water.

Grease—For heavily stained areas, treat with cleaning fluid or a soapless shampoo; then wash in warm soapy water.

Fruit—Pour boiling water through the stain from a height of 3 or 4 feet. Do not use soap. (For old stains, rub the stain well with glycerine or a soapless shampoo; let stand for several hours, then treat with boiling water as above.)

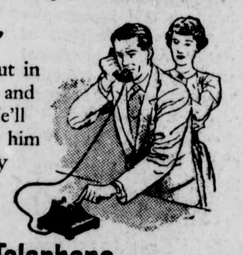
Cocoa, chocolate, coffee, tea—Wash in soapy water. If stain persists, bleach with a mild bleach.

Lipstick—Work soap or vaseline into the stain to loosen it. Then launder as usual. If stain persists, bleach with a mild bleach.

How to reach the phone before it stops ringing Rrrringgg—there goes the phone. And before you can get to it from another part of the house, it stops ringing. But—with a handy *extension* telephone, you can take calls anywhere in the house! This convenience costs just a few pennies a day. And extensions are now available everywhere because they require no outside cables, wires, or central office facilities. For complete details about a new extension telephone in your home . . . call your Pacific Telephone business office.

in an emergency...

your party-line neighbor may cut in on your telephone conversation and ask you to release the line. He'll surely appreciate it if you allow him to use the phone. And you may need the same courtesy in an emergency of your own.



Pacific Telephone

What? Tax Collector Says Too Much Money Is Sent In

Did you ever hear of a tax collector complaining about receiving too much taxes? That was the situation today in the Office of the District Director of Internal Revenue, Glen T. Jamison.

"It's not that we don't want the money," said Jamison, "but people are mailing in the fourth installment of their estimated tax ahead of time apparently in the belief the installment is due on December 15, 1953. Actually, it isn't due until January 15, 1954."

"We wil mail out the quarterly tax statements, showing the taxpayer's account number and the balance of tax due, on December 31st. The statements will be in duplicate, one copy to be kept by the taxpayer and the other to be returned with his remittance. It is important that the bill should accompany the remittance so proper credit can be given."

Estimated tax requirements provide that at least 80 per cent of the total tax be paid not later than January 15, 1954. If the taxpayer's estimated tax payments don't amount to at least 80 per cent of his tax, he should amend his declaration and increase his payments, or else he may file his final income tax return for the year, or or before January 15, 1954. If he wishes to amend his estimate, he may use the form on the reverse side of his quarterly statement.

READING AT RIGHT TIME

It is not uncommon for the motor car owner to make the error of taking a hydrometer reading of the battery just after the electrolytic solution has been replenished with water, points out the National Automobile Club. At such time the acid and water have not mixed and the gravity reading is bound to be incorrect. The proper time to take note of the charge is after the car has been run for several hours and the solution has had time to integrate.

DANGEROUS PRACTICE

Running that yellow light is a dangerous practice, points out the National Automobile Club.

GRANTS TO STATE INSTITUTIONS FOR POLIO REVEALED

California institutions have been authorized over three and a half million dollars in grants for polio research and education by the National Foundation for Infantile Paralysis since 1938, it was revealed today by the state office of the Foundation.

The exact figure is $3,611,747.78 for the period from 1938 to date. It is expected that further grants will be awarded during 1954.

Institutions working on March of Dimes-supported research include the University of California; University of Southern California; Stanford University; Orthopedic Hospital, Los Angeles; Childrens Hospital, Los Angeles; California Institute of Technology; May T. Morrison Center of Rehabilitation, San Francisco; Los Angeles County Hospital; University of California, Los Angeles; California State Department of Health.

Research activities in California and throughout the United States are credited with bringing medical science to the threshold of conquering polio after 16 years of painstaking effort.

The recently published announcement of success in isolating the polio virus at the University of California was made possible through a March of Dimes grant to Dr. Wendell Stanley.

The dominant theme of the 1954 March of Dimes January 2-31 is polio prevention, a vast project involving principally the purchase of greatly increased quantities of gamma globulin for use during the year and wide scale testing of a new trial polio vaccine.

Cost of the polio prevention program alone is estimated at twenty-six and a half million dollars. The prevention program and the regular patient care and educational program together will cost seventy-five million dollars in 1954.

LARGEST TURKEY SHOW

The largest turkey show in the world is held each year at Oakland in Douglas county in Oregon, according to the National Automobile Club.

Opening Monday, December 21...

Bank of America's new Westlake branch

Here's a new, modern banking home that... from the very first blueprint... has been designed to make banking easier, faster, and more convenient for you. This is your bank, where you have the friendly local service, plus the strength and stability provided by the world's largest bank. Naturally, all of us at the branch are pleased to be moving into such a fine new building. It will be pleasant to have 25 Westlake Court as our permanent address. Above all, though, we're looking forward to serving you and your friends at our new location. Come in and see us soon... and let's get better acquainted.

D. J. FRANCO, *Manager*

WESTLAKE BRANCH

Bank of America
NATIONAL TRUST AND SAVINGS ASSOCIATION
MEMBER FEDERAL DEPOSIT INSURANCE CORPORATION

25 Westlake Court • Daly City

Our new building features these conveniences:

• 14 teller windows • Spacious public lobby
• Night depository • Large vault and safe deposit facilities
• Community parking area • Fluorescent lighting

You are cordially invited...
to our Open House, Monday, December 21,
from 6 p.m. to 9 p.m.

Youngsters' Musical Education May Begin With Hit Parade, Noted Conductor Tells Snell PTA

If your small child goes around singing his version of the Hit Parade, or pounding with his blocks in time to the radio, then he is starting his musical education in exactly the right way, according to Gregory Millar. Millar, conductor of the San Francisco Recreation Orchestra and of the Little Symphony, spoke about children's introduction to music to 112 members of the James L. Snell PTA on December 9 at Garden Village school.

Parents Influence

He said further that a child's attitude toward music can be influenced by the attitude of the parents, who should make music a part of the family activity and something to be enjoyed. This can be done by really listening to music, searching for patterns and designs, and by encouraging the children to sing the melodies and beat time with sticks or small play instruments. Children will not absorb music by having the radio turned on all day; music should be a natural, joyous thing, felt and expressed individually, and the simplest and best way to start is by singing. Then come the kindergarten rhythm bands, with additional help at home. Beginning this way is more apt to instill a sense of music in the child, rather than the academic method of forcing him to start mastering an instrument, with all the drudgery of too long practice hours.

8 Right Age

Millar said the age of 8 was soon enough to bring instruments into the child's musical world, and he felt that the violin was the best one with which to start, for it requires the child to feel and create his own pitch, the way he does when singing.

The fact was brought out that this instrument should be held correctly, and adjusted to the individual child, otherwise there may be difficulty with later tooth alignment if the violin is held too tightly against the shoulder by the jaw muscles.

Other instruments, such as brass and woodwinds, usually are preferred by children who take an active interest in joining school bands or orchestras. The percussion instruments come to the child's attention through the previously mentioned rhythm bands. Most of these have appeal through their noise value at first; later, as in the case of drums in a school band or orchestra, this value turns to rhythm creation. The piano, being a family instrument, is one of the most important of all. Musically, it is important because it teaches harmony, instead of just a single melody, although it lacks duration of tone and presents the child with a ready-made pitch without any work on his part.

Teacher Important

No matter what instrument the child or the parents may choose, Millar made it plain that it is very important to get the best possible teacher at the beginning, when the child first starts to learn. The first teacher set the pattern for future attitudes towards music: one of the best ways to keep musical curiosity and enjoyment alive is to encourage initiative in playing around with music, picking out tunes not always in the practice book and experimenting with melodies and chords. And, if a piece appeals to a child, it does not matter whether it is a cowboy ballad, a Chopin nocturne, the disc jockey's favorites or a Beethoven symphony.

On the biographical side, Mr. Millar is Canadian by birth, and came to San Francisco after having taught in the St. Louis, Missouri, schools and holding the position of director of the music department of St. Louis university. At present, he conducts the San Francisco Recreation orchestra, which is for amateurs seeking orchestra experience, and also the Little Symphony, which he started over two years ago. This is for professional people who want to play little-known works written for small orchestras and for younger musicians who want solo experience.

Enjoyable Item

A very enjoyable item on the program was the carol-singing by the students. Coached by Mrs. Calire Ballou, their teacher, the Garden Village 5th and 6th grade (this class is a combination group) sang "In the Still of Evening," a Polish carol, and "O Come All Ye Faithful." Richard Mitchell, who announced the numbers, Joe Rossio, Dennis Milani, Patricia Ripp, Ann Mori, Peggy Rhodes, Thelma Cubillo, Betty Jean Latimer, Kathryn Kurianowicz, Carolyn Russel, and Janice Courtney comprised the group, wearing large white collars with red ties and carrying red candles. Miss Celeste Clarke's singers from Benjamin Franklin school presented "Shine and Carol," "O Little Sheperd," "Silent Night," with a German solo by Monica Smith, and "Jingle Bells." These students were: Joyce Navarro, Susan Del Sarto, Franklyn Silverman, Donna George, Joanne Crosby, Carol Knutela, Karen Olson, Monica Smith, Barbara Newcomb, Joan Nyburg, Margot Veenstra, Judith Berumen, Webb Parker, Betsy Foster, Donna Dennis, Janet Chandler, Martha Hardy, Judy McCann, Jay Garnett, who announced the carols, Don Clemens, Judy Del Zompo, Loretta Durham, Karen Brehm, Barbara Golladay, Gail Kubowitz, Joan Stewart, Jo Anne Johns and Laurel Kleisner.

Give Readings

Mrs. Elvira Cody read "What Is A Girl?" and Mr. Ray Logan read "What Is A Boy?"—two beautifully written articles that seemed to catch the spirit and being of all children. The pledge of allegiance which opened the meeting was led by members of Cub Den 7, Troop 84. Mrs. Ben Marowitz, chairman of the Salvage Drive, announced that it had brought in over $120. Membership in the James L. Snell PTA was recorded as 478 out of a goal of 500, and Mrs. DeBerry's afternoon class and Mr. Pagani's class won the honors for the highest percentage of members at the end of the drive in October. Room mothers, of the groups acted as hostesses for the parties given as prizes. Mrs. Jack Lagoria was introduced as poster chairman for the year, and, at the close of the program, room mother hostesses served refreshments from a table decorated with Christmas greens and candles. They were Mmes. Edward Liska, Max Hoffman, G. J. Dunne, E. L. Murphy, L. D. Morgan and Otto Krawetz. The meeting was sponsored by the Music Committee; Mrs. Verne Allen, chairman.

Vets Have 120 Days To Sign For Low Cost Insurance Benefits

Assuming that 120 days are exactly the same as four months is a mistake that has cost newly discharged veterans their opportunity to take out or resume National Service Life Insurance, asserted Floyd D. Granger, Veterans Service Officer of San Mateo county.

He pointed out that veterans have 120 days under the law to sign up for low-cost government insurance after they leave the armed forces. Their automatic indemnity protection also expires after 120 days.

"Many veterans," said Granger, have taken it for granted that they would be within the deadline if application for the GI term insurance was made within four months after the date they left the service. This assumption can trip them up."

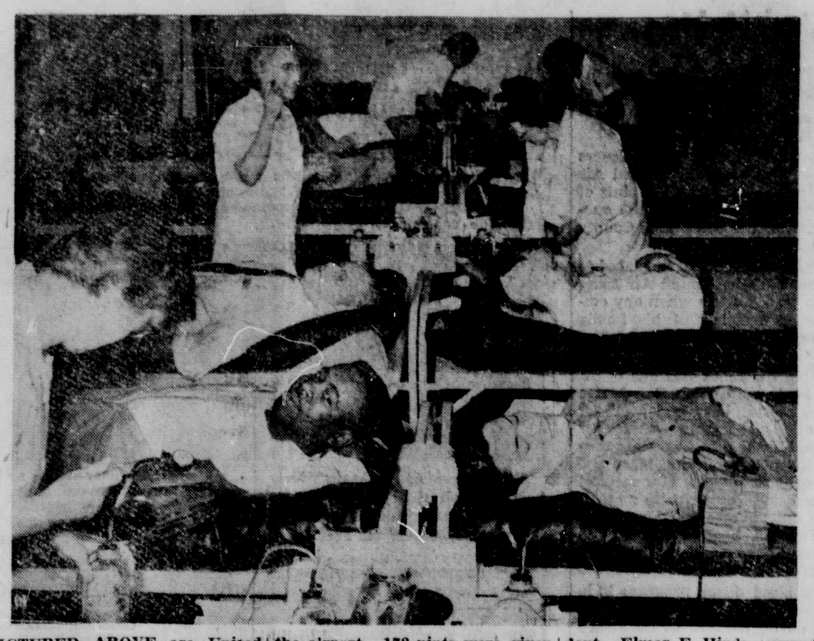
Since some months have 31 days, the 120 day period can expire in less time than four months. Veterans who put off the question of government insurance to the very last moment may deprive themselves of valuable protection for their loved ones.

Granger added that government term insurance for veterans is written at possibly the lowest rates available anywhere. It is offered in several forms, with an unlimited choice of beneficiaries. Disabilities caused by military service are not charged against a veteran in determining his eligibility for insurance protecton.

To learn more about the insurance available to them, to apply for a policy, or to talk over other problems, veterans are invited to drop in at the Veterans Service Office, in the Courthouse, Redwood City.

A monument to Admiral George Dewey, commemorating the victory of Manila Bay, Spanish American War, stands in Union Square in San Francisco.

A bulk grain elevator at the Port of San Francisco has a capacity of one million bushels.



PICTURED ABOVE are United Air Lines employees giving blood during the visit of the San Mateo County Blood Bank Mobile unit to the airport. 178 pints were given in one day, which will be available for employees of the firm and their families in event of illness or accident. Elmer E. Hinds, suggestion conference representative of United Air Lines, was in charge of the recruiting of donors.

Traffic Safety Commission Warns Holiday Shoppers

"Shop with care—walk with care!"

This advice was given to Christmas shoppers today by Archie Offield, charman of the San Mateo County Traffic Safety Commission, as he reminded local citizens of the December program to reduce holiday traffic hazards.

"Shopper may not realize it," he said, "but Christmas shopping is definitely a holiday traffic hazard."

Offield pointed out that at this time of year careful shopping can result in a considerable saving of money.

"And careful walking," he said, "results in a more important saving—the saving of lives."

The spokesman for the Safety Commission suggested three rules for careful walkers and shoppers to observe.

1. Do not carry so many packages that they obscure your vision—either directly ahead of you, to the side, or your vision of the pavement.

2. Be certain that parcels are tied securely. If you should drop a package, look carefully for traffic before you stoop to pick it up.

3. Avoid the tendency to hurry. Hurrying through crowded city streets is always dangerous. Hurrying with arms loaded with parcels can be suicidal.

The Brotherhood of Locomotive Engineers was organized August 17, 1863.

MOUNTING TRAFFIC FINES IN S. F.

During the first eleven months of this year, motorists in San Francisco have paid a total of $2,190,807 in fines for traffic violations, Ivan L. Slavich, clerk of the Municipal Court, revealed this week. The figure is $447,586 more than the same period in 1952.

Parking fines accounted for $1,568,112 of the total amount collected through November, Slavich pointed out.

Library News

Girl Scouts Help To Decorate Library For Christmas

Thanks to the efforts and wholehearted cooperation of Girl Scout Troop 148, the Daly City Library now boasts original and colorful Yuletide decorations. Under the direction and supervision of Mrs. Dolores Antonio, troup leader, the young ladies in troup 148 made unique Christmas tree ornaments, choir boys and tinted pine cones. Many thanks to the hardworking and industrious scouts and their congenial troup leader. The public is cordially invited to come to the library to see the scouts' handiwork.

California Library Association

At the recent California Library Association's 55th annual reading conference held at Stockton, California, assembled delegates learned many interesting facts concerning the functions of reading and the principal reading interests of various groups in our communities. The ultimate goal of the various panel discussions, symposiums and workshop groups, was to reach a better understanding of why people read; of why people do not read; to find ways to encourage more people to read more books for enjoyment and profit. Half the discussion time was devoted to reading for adults; the other half to reading for children and young people. Many prominent speakers selected from the library and related community fields presented their ideas on the unique and indispensable functions of reading. The four representatives from the Daly City Library were exposed to many stimulating and educational ideas which will serve to enhance their appreciation and understanding of the wonderful world of books and reading.

Retiring Librarian Feted At Luncheon

Fifty nine past and present members of the San Mateo County Library staff were present at the Marie Antoinette Inn in Menlo Park, for a luncheon honoring Miss Clara B. Dills, retiring county librarian. Assembled guests introduced themselves and individually expressed their admiration and best wishes to Miss Dills, who has been a leader in the county library system, as well as in the library field in general for many years. The gracious Miss Dills thanked all her friends and co-workers for honoring her, and urged all those actively engaged in library work to continue the fine work.

Classroom Visit

Boys and girls from the first and second grades in the Westlake school made a special morning library visit recently. The youngsters were given important information regarding the library, its services, how to obtain a library card, etc. After this brief instruction period, Mrs. Plummer, children's librarian, told several stories.

Association Of Children's Librarians

At the last meeting of the year the Association of Children's Librarians at the San Francisco Main library, new children's book were reviewed, and Mrs. Jansen from the San Jose Public Library told a special Christmas stories. This group of northern California librarians meets monthly for the purpose of reviewing and evaluating books for children and young people. This is done in an effort to screen the enormous "sea of print" in which the order librarian finds herself enveloped. Through the critical reviews of qualified groups such as these, librarians are assisted in their purchasing of worthwhile juvenile material.

Jefferson High School PTA

A personal invitation from Mrs. Hilda Heagney, president of the Jefferson High School PTA, prompted us to attend the last meeting of the group for the current year. A fine program which included the storytelling artistry of Marion Garthwaite from the San Mateo County Library staff, and the musical versatility of the Jefferson High School band and chorus, created a fine Christmas spirit and atmosphere for all present.

PRE-CHRISTMAS PROGRAM SLATED FOR CITY OF S.F.

A festive pre-Christmas week-long program has been planned for Union Square in the heart of downtown San Francisco by the Down Town Association and the Recreation-Park Department.

The Square is to be transformed into a tuneful, colorful, Christmas setting, which this year for the first time will include a Nativity Scene. The week-long program will start Friday, December 18, and end with the Eighth Annual Christmas Eve program with Lucine Amara carrying on the tradition originated by the beloved Tetrazzini in 1910. The Christmas Eve program will be broadcast nationally over the entire CBS Network, and aired locally from KCBS from 9:30 to 10 p.m.

The week-long event will comprise:

1. A Nativity Scene with live animals, a spectacular specially designed backdrop and effective indirect lighting. The Bethlehem scene will be portrayed at the Stockton street end of the Square.

2. Four brightly lighted, decorated Christmas trees will tower above the Square throughout the week.

3. Concerts of Christmas band music daily at noon. The Musicians' Union Local No. 6 and the Art Commission are cooperating by furnishing the band music. Bands will include the Golden Gate Park Band under the direction of Ralph Murray and the Municipal Band under the direction of Phil Sapiro.

4. Christmas Carols each evening from 7:30 to 8:30 featuring various San Francisco choral groups, will include:

FRIDAY, December 18th
7:30 p.m.—St. Cecilia's Choir
8:00 p.m.—Olympic Club
SATURDAY, December 19th
7:30 p.m.—Old St. Mary's Male Choir
8:00 p.m. — Salesian Boys & Choir
SUNDAY, December 20th
7:30 p.m.—St. Dominic's Choir
8:00 p.m.—Columbia Park Boys' Choir
MONDAY, December 21st
7:30 p.m.—S. F. Recreation & Park Children
8:00 p.m. — S. F. Municipal Chorus
TUESDAY, December 22nd
7:30 p.m.—Chancel Choir
8:00 p.m.—Sanctuary Choir (Jones Methodist Choir)
WEDNESDAY, December 23rd
7:30 to 8:30 p.m.—Fireman's Fund Chorus.

5. The Finale on Christmas Eve will be the traditional Christmas salute and a message of Peace on Earth and Good Will Toward Men to the entire nation.

Miss Lucine Amara, San Francisco's "Cinderella" soprano, who skyrocketed in six short years from the San Francisco Opera Chorus to acclaim with the Metropolitan Opera Company of New York, will be the featured artist on the Christmas Eve program which will be presented from Union Square from 5:30 to 6:00 p.m.

Other features will consist of a Christmas Choir under the direction of Stanley Noonan with a number of selections of Christmas music. Ray Hackett and the KCBS Concert Orchestra will accompany Miss Amara and will be heard in individual numbers.

Down Town Association President Marsden S. Blois will extend San Francisco's Christmas greetings to the nation during the program.

VA Explains Why Benefit Replies Sometimes Delayed

Veterans Administration today explained why some veterans are not receiving faster replies to their letters concerning claims for benefits.

VA said it is receiving an average of 1,500,000 pieces of "mystery" mail every month — mail without proper identification either of the veteran or of his claim.

Since such mail requires a considerable search through records to identify the veteran or his claim, delays result in replying, VA said.

The monthly average of 1,500,000 pieces of "mystery" mail is approximately 14 per cent of the 10,500,000 pieces of mail received by VA monthly throughout the country. That means 14 out of every 100 letters require some tracing work to relate them to the right veterans and to the right claims.

For faster service, VA advises every veteran writing to VA concerning a claim for a benefit to follow these simple instructions:

Give your full name and address, preferably printed or typewritten over your signature.

Give your service serial number.

If VA already has allotted you a "C" or claims number, give that too. It is one of the most important numbers in VA's filing system.

Where GI life insurance is involved, you should also specify the policy number.

In event you cannot remember or locate your "C" number or insurance policy number, be sure to give your date of birth and the period in which you served on active duty in the armed forces.

VA said this information will enable it to identify your claim more quickly out of the millions on record and thus speed up a reply.

ADJUST SEAT

Adjust the seat in your car to provide maximum visibility, advises the National Automobile Club.

BULLION BEND

Bullion Bend, located in the Mother Lode Country, is reported by the National Automobile Club to have been famous for early day stage robberies.

United Air Line Employees Set Blood Bank Record

A new record for blood donors was set this week by United Air Lines employees when 178 pints of blood were given during the one-day visit of the San Mateo County Blood Bank Mobile Unit.

The blood given will be placed to the credit of the United Air Lines family pool, for use when any employee or member of his family may need a transfusion in event of illness or accident.

United Air Lines was one of the first busines firms in San Mateo county to start a "blood pool" for protection of their employees' health. In the past five years they have given 1346 pints of blood and have utilized 585 pints for medical emergencies, leaving them a credit of 761 units in reserve. Mrs. Dorothy Dawson, head nurse for the firm, authorizes use of the blood pool upon request.

This blood donor program is in addition to the hundreds of pints given during the war for the armed services.

Twenty volunteer workers and technical staff members of the blood bank were on hand at the airport to handle all details of the operation, including the serving of delightful refreshments to each donor.

Mrs. P. J. Hanzlik, blood bank administrator, paid high tribute to the air line employees for their interest in the program and to executives of the firm for their splendid cooperation in organizing the scheduling the donors.

Dr. Carl L. Hoag, president of the blood bank said today that more than 300 local firms, civic and fraternal organizations, churches, and groups of all kinds now have a definite blood reserve program in operation. "Scores of lives have been saved and patients aided tremendously through the mircale of life-giving blood being available on a moment's notice," he declared.

Anyone wishing information on the simplicity of establishing a blood pool for any group or firm on the peninsula is invited to contact the San Mateo County Blood Bank, DIamond 3-1424.

HOME modernizing

Wood Floors Eventually Need Work; Here Are Tips on Reconditioning

Occasionally—depending on the finish, amount of maintenance and traffic—wood floors need reconditioning.

The photographs below give pointers from Home Modernizing magazine on how to proceed.

Sink protruding nail heads with hammer and nail set, then fill holes; eliminate squeaks by nailing to joist nearest the squeaks.

Next, sand the floor with a drum-type sander; make first strokes at an angle to the boards, the second strokes at right angles to first.

A disk-type sander like this one is used for small areas that the drum-type sander can't reach, such as around walls, stairways.

Finish by rubbing with steel wool, sweeping and then applying two coats of the finish—floor seal, varnish or shellac.

SCIENCE and your Health

CAUTION ON HOME PAINTING
by Science Features

Planning to do any painting in your home? If you are, and if there are children around, doctors advise that you be sure to use a paint which does not contain lead chromate in the pigment.

The reason for this is simple. Young children, as every parent knows, have the habit of chewing on whatever comes to hand—the rail of a crib, a chair, a window sill, even bits of painted plaster which fall from old walls.

If this paint contains lead chromate — a rather common ingredient of the pigment, especially in chrome yellow, orange and green colors—enough may be swallowed by the child to cause lead poisoning. In the first six months of this year 15 cases of lead poisoning were reported in New York City alone, 11 among children.

Most manufacturers of children's furniture take care to use paint that does not contain lead chromate. This precaution may be nullified, however, if the parents repaint furniture or toys which are used by the child with a lead base paint.

So if you're planning to repaint in the home, make sure the paint label states that it contains safe levels of lead chromate—one part lead to 200,000 parts of pigment.

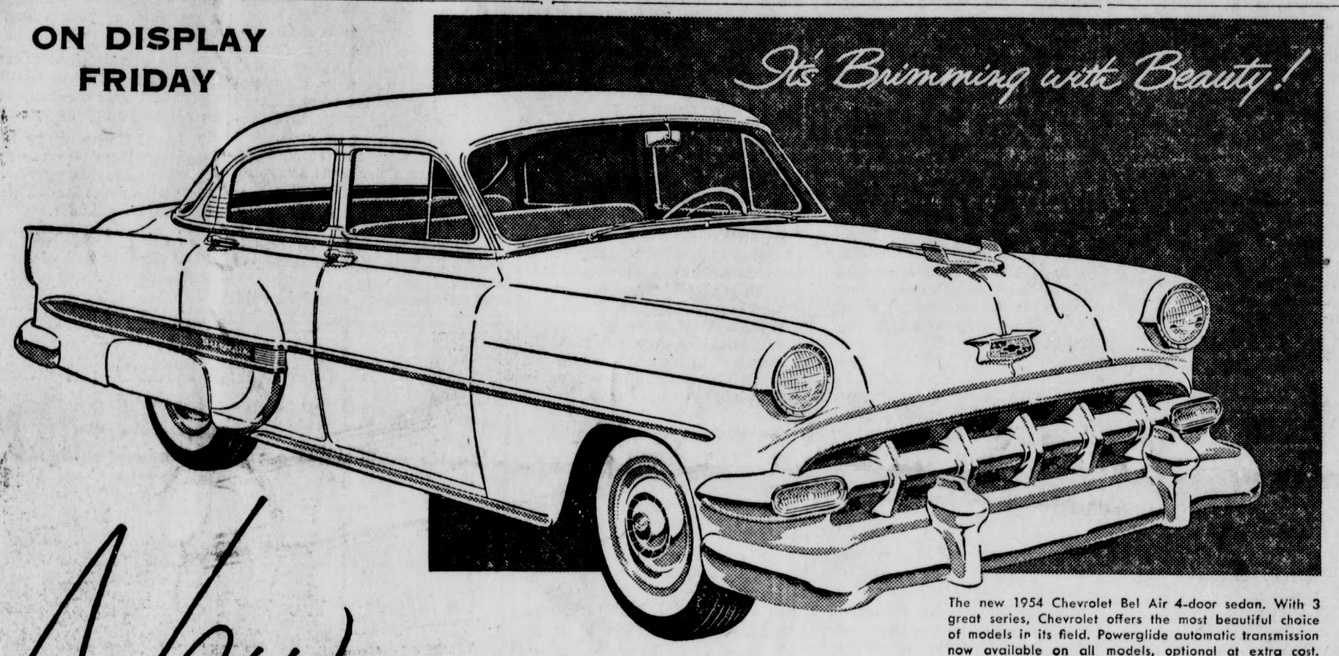
ON DISPLAY FRIDAY



The new 1954 Chevrolet Bel Air 4-door sedan. With 3 great series, Chevrolet offers the most beautiful choice of models in its field. Powerglide automatic transmission now available on all models, optional at extra cost.

New 1954 Chevrolet

Powered for Performance!
Engineered for Economy!

Come see the most beautiful, most powerful Chevrolet ever built . . . the new car that combines great new performance with money-saving gas mileage!

In *every* way, Chevrolet now brings you even more of the things you want.

More *beauty* with brilliant new styling in Body by Fisher and bright new color harmonies outside and inside the car.

More *power* and *finer* performance with new high-compression engine power in all models.

More *comforts* and *conveniences* including the richest new interiors in Chevrolet history and such new features as Power Brakes and Automatic, Electric Window and Seat Controls.

And, thanks to advanced Chevrolet engineering, all this with *new economy*, too.

The fact is, you'll find that no other car offers *so many* things you want at such low cost. That means the low *first* cost of the lowest-priced line in its field. And it means money-saving economy of operation and upkeep, as well.

Stop in and take a good look at the best-looking Chevrolet you ever saw!

First in the Low-Price Field
with POWER BRAKES, AUTOMATIC WINDOW and SEAT CONTROLS

Power brakes for easier stops

Now Chevrolet brings you Power Brakes to make stopping wonderfully easy and convenient. Optional on Powerglide models at extra cost.

New, automatic window and seat controls

The touch of a button adjusts front seat and windows. Optional on Bel Air and "Two-Ten" models at extra cost.

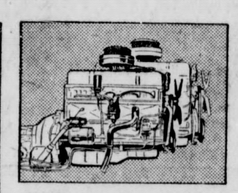
More things more people want, that's why
MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

New styling that will stay new

There's a new, lower, smarter look about this new Chevrolet. All around the car, you'll see new styling that brings you Fisher Body at its beautiful best.

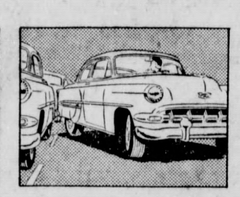
New interior richness

Fine new upholstery fabrics with a more liberal use of beautiful, durable vinyl trim. New color treatments in harmony with the brilliant new exterior colors.



Thrifty new power in all models

Now, in Powerglide models, is the more powerful "Blue-Flame 125" engine. Gearshift models offer the more powerful "Blue-Flame 115."



New, lower price on power steering

Chevrolet Power Steering now reduced in price! It does 80% of the work to give you easy, sure control. Optional at extra cost on all models.
